

**BOSCH**

Invented for life

# Cleaning made easy – all you need is always within reach.

Vacuuming your home has never been so effortless. With the integrated accessories on our Flexxo vacuum cleaners, cleaning is now easier because everything you need is always right at hand.

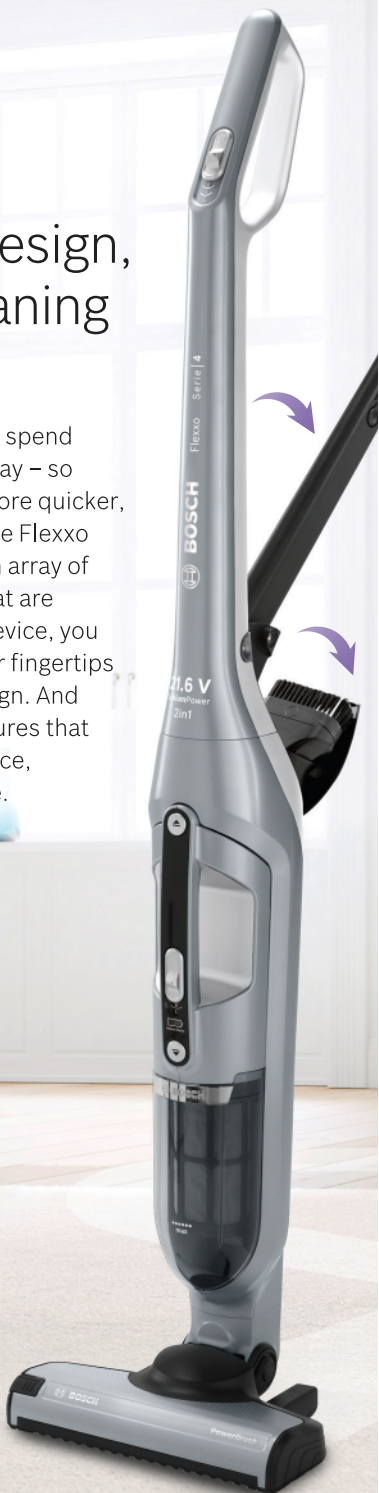

**EUROPE'S  
BRAND No.1\***

\*For major domestic appliances.  
Source: Euromonitor, volume sales, 2019.

# Minimalistic design, maximum cleaning convenience.

We know how much time you spend vacuuming your home each day – so we've set out to make this chore quicker, and more convenient, with the Flexxo vacuum cleaner. Featuring an array of easy-to-reach accessories that are integrated directly into the device, you have all you need right at your fingertips in one stunningly simple design. And with a slew of enhanced features that ensure consistent performance, cleaning is now truly a breeze.

## Features

### **Extendable crevice tool**

Extendable crevice tool with a reach of up to 55cm, the crevice tool can be attached to your device for easy cleaning of ceilings or cupboard tops.

### **Furniture/upholstery brush combination tool**

The furniture brush with extra long and soft bristles cleans your delicate surfaces effectively. The upholstery brush features robust thread lifters that gets rid of hair clumps and dust from your textile surfaces.

### **ProAnimal brush roll**

Vacuums fibers up to 30% faster\* with specialized accessories on all levels, surfaces and floors.

\*Fibre pick-up on carpet in comparison to a corded vacuum cleaner from Bosch with turbo brush (BGL3A315). Tested according to EN 60312-1.

2. On turbo mode with electrical floor nozzle or hand-held

# Thoughtful touches that make cleaning less of a chore.

When it comes to your vacuum cleaner, it's often not just about how well it cleans, but also about how well-maintained it is – so it can keep on cleaning for longer. That's why we've included additional features into the Flexxo vacuum cleaner, to ensure a more constant cleaning performance even with minimal maintenance.

## **RobustAir System**

Dust separation is now more efficient with the help of cyclonic air guidance and optimized sealing, ensuring that cleaning performance is not compromised even when the dust box fills up.

## **Large Dust Box Capacity with Optimised Filter**

Featuring a large dust box capacity of 0.4L and high-tech lifetime filter materials on an expanded filter surface, maintenance is easier with less filter and box cleaning after usage.
