

Invented for life

**BOSCH**

# Take back the power with Bosch.

At Bosch we have solutions for you when the lights go out.

[www.bosch-home.com/za](http://www.bosch-home.com/za)

# Bosch Home Appliances has a loadshedding solution for you.

We understand the frustration and inconvenience of being in the dark, which is why we have developed a range of appliances that are designed to help you manage when the lights go out.

Our products are reliable and energy efficient, allowing you to still cook, clean and do laundry without any interruptions.

## Product focus

Gas Hob

Freestanding Gas Cooker

Washing Machine

Dishwasher

Refrigeration

Cordless Handstick Vacuum Cleaner

## Bosch. Solar power multiplier.

Our range of free standing products are some of the most energy efficient appliances in the world, making them the perfect solution for homes that run off solar systems.

\*Please consult with a solar solution expert for assistance and recommendations.

# FlameSelect:

An innovative valve technology that accurately controls the flame within nine defined heating levels.
