### Features

## Ergonomic features for effortless cleaning on all levels.

### AllFloor brush with LED lights

Consistently thorough for any cleaning task with LED lights for easy visibility.

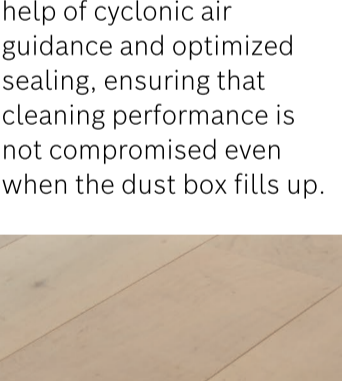

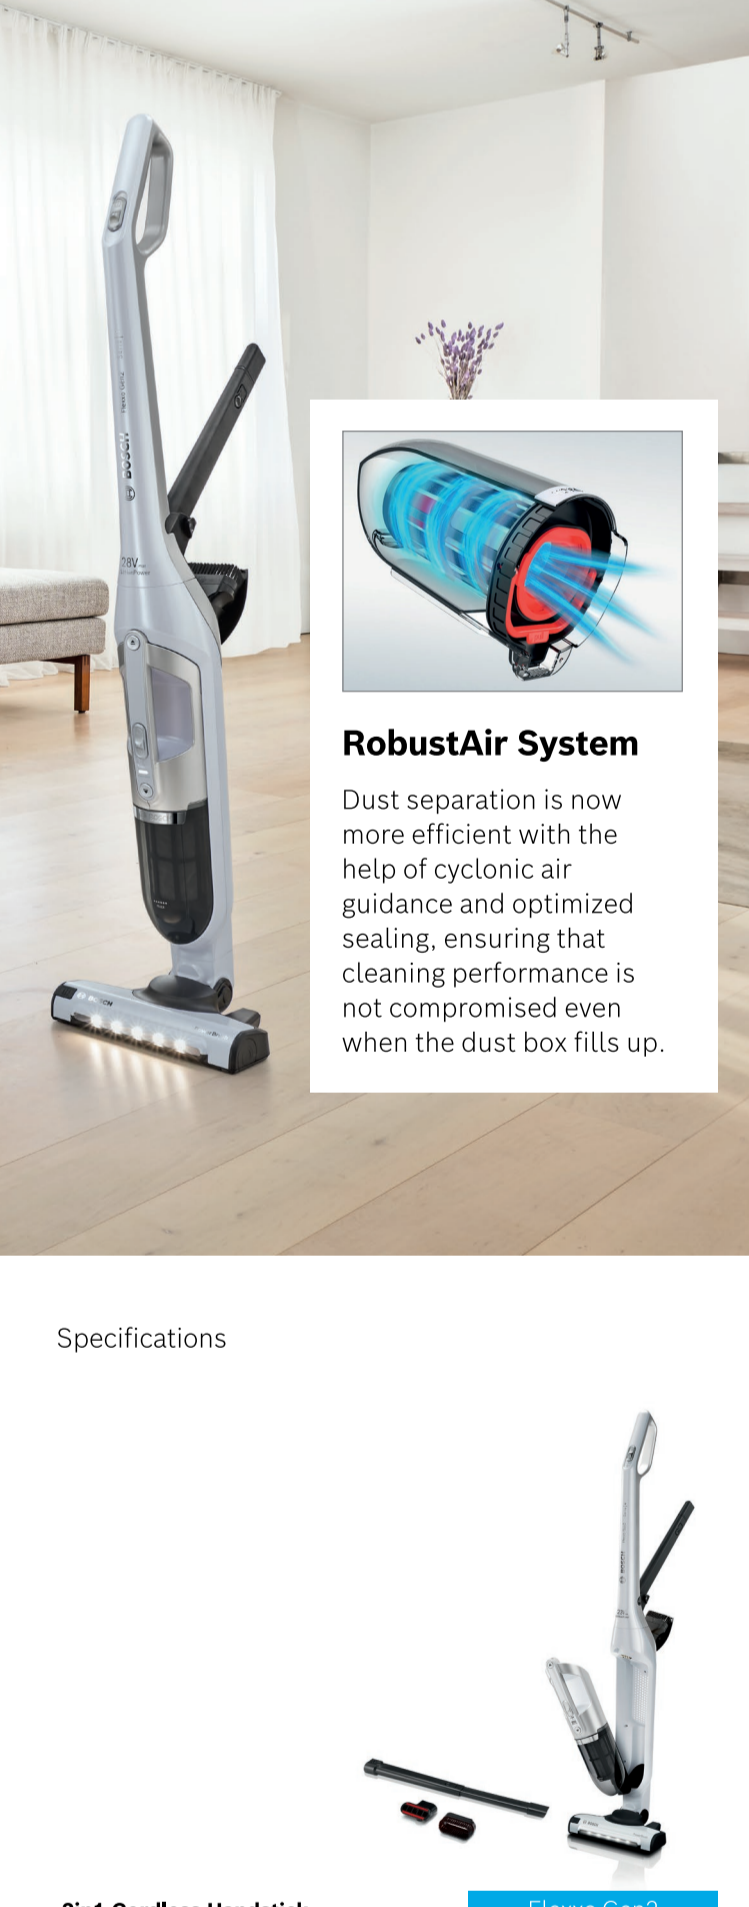

### Extendable crevice tool

Extendable crevice tool with a reach of up to 55cm, the crevice tool can be attached to your device for easy cleaning of ceilings or cupboard tops.

### 2in1 Furniture brush & Upholstery nozzle

The furniture brush with extra long and soft bristles cleans your delicate surfaces effectively. The upholstery brush features robust thread lifters that get rid of hair clumps and dust from your textile surfaces.

### RobustAir System

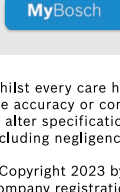

Dust separation is now more efficient with the help of cyclonic air guidance and optimized sealing, ensuring that cleaning performance is not compromised even when the dust box fills up.
