# Designed with QuattroPower for maximum performance.

Bosch introduces QuattroPower system – the new benchmark in vacuum cleaner technology that is designed to deliver class-leading dust pick-up. Every component has been optimized for maximum airflow which translates to incredible cleaning performance.

 Made in Germany motor

## 1 HiSpin Motor\*

Improved airflow with low energy consumption.

- 15% less energy consumption
- Longer life span
- Quieter + Better performance

## 2 High Efficiency Dust Separation System

Effective dust filtering and thorough cleaning for cleaner exhaust air.

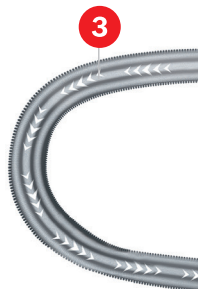

## 3 AirSeal

Special sealings prevent any leakages of air.

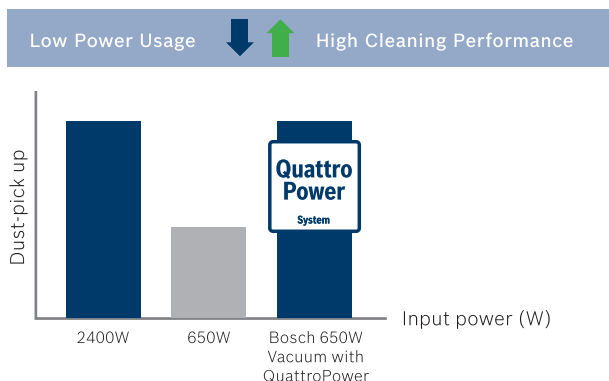

## 4 High Performance Floors Tools

Lead to Class A dust pick-up.

\* Made in Germany HiSpin Motor is only applicable to Bosch bagged & bagless canister vacuum cleaners.

The QuattroPower system allows you to enjoy superior cleaning performance with more than 50% of energy savings, achieving the performance of a 2400W vacuum cleaner with just 650W\*.

\* Based on Bosch bagged vacuum cleaner BGL8SI59GB's EU energy label.

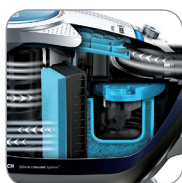

# The quietest vacuum cleaner in the market.

SilenceSound™ system delivers powerful dust pickup at the lowest sound level, using a diverse and comprehensive package of sound reducing measures.

**1** Sound controlled motor with CompressorTechnology

**2** Sound controlled insulation

**3** Silent airflow with sound reducer

**4** Silent accessories

# We make maintenance a breeze.

## Bagless Vacuums

### SensorBagless™ Technology:

Intelligent solutions for low maintenance effort.

**Maintains Maximum Performance thanks to SensorControl.**

**Minimal Maintenance with Fully automatic self cleaning**

Bosch SensorBagless™ Technology alerts you when the filter needs cleaning. The internal sensor continuously measures airflow rates to ensure that the vacuum cleaner operates at optimal performance throughout its lifetime.

When the filters become dirty and block airflow, the system will automatically power down and activate its own self cleaning process.\*

#### **SensorControl (Bagless and Athlet)**

The SensorControl System sends an LED alert when the filter needs cleaning.

### HighTech Filter Materials:

Materials that last the whole life span.

#### **Benefit:**

No exchange, no follow-up costs

#### **Reason-why:**

- Cartridge Filter with GORE-membrane
- High Tech Filter Material with huge filtration
- Clog resistant thanks to GORE membrane

#### **Advantage:**

Lifetime durability and high-performance

  
**CleanStream.Filters**

\* Applicable to BGS5SCSIB Relaxx'x ProSilence Bagless Vacuum Cleaner.

## Bagged Vacuums

### Class A Dust Re-Emission Class:

Top-in-class filters for unparalleled quality.

HEPA filters are used in most Bosch bagged vacuum cleaners, providing filtration of smaller particles and giving you greater peace-of-mind.

	Emission Class A		
	PureAir Filter	HEPA Filter	
Filtration Class	E10 (EPA 10)	H13 (HEPA 13)	U15 (ULPA 15)
Dust Re-emission class	A	A	A
Filtration efficiency	Up to 85%	Up to 99.95%	Up to 99.9995%
Particle size (Microns)	0.30	0.30	0.12
Washability	Not washable	Washable - No followup costs	

### PowerProtect Dustbag: (BBZ4FGALL)

For longlasting cleaning performance.

#### Benefits:

- 99.9% fine dust particles are filtered
- Up to 60%\* more suction power even when dustbag fills up
- Prevent blockage of airflow

\* Suction power with partly filled dustbag (400g) in comparison to Bosch Type G dustbags without PowerProtect technology, tested in an appliance of BSG15...range. Suitable for all new Bosch bagged vacuum cleaners.

# Tested for superior quality and reliability.

**1 The Housing Test:**

Withstands being dropped 35 times from carrying height.

**2 The Hose Test:**

Withstands at least 40,000 bends under 2 kg of weight.

**3 The Nozzle Test:**

Vacuums 500 km without a fault.

**4 The Switch Test:**

Operates at least 45,000 times.

**5 The Roller Test:**

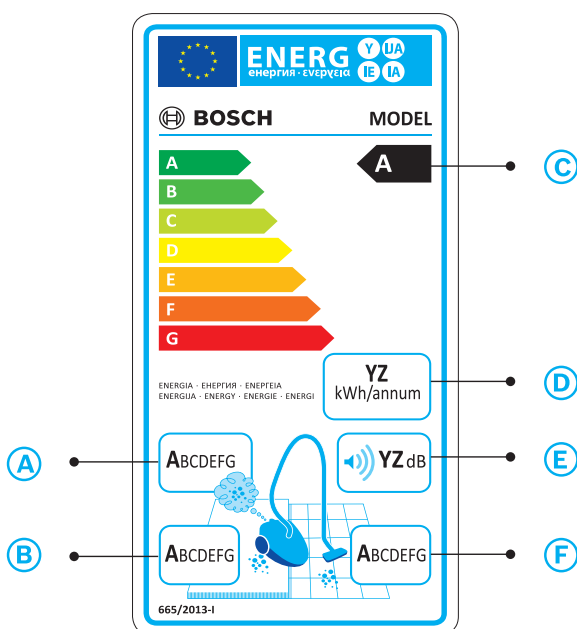

Rolls over door thresholds at least 6,000 times.

**6 The Cord Retraction Test:**

Rolls up at least 6,000 times.

# EU Quality and standard.

The EU Energy Label is an indication that our products meet the European mark, so you can be assured of the same German quality and standard, wherever you may be.

## **A** Dust re-emission class

Indicator for clean exhaust air

## **B** Carpet cleaning performance class

Describes the dust pick-up from a standardized test carpet.

## **C** Energy efficiency class

Better ratings are awarded to vacuums with lower input power.

## **D** Annual energy consumption

Calculated for an average household.

## **E** Sound power level

Rates the sound level of a vacuum cleaner in dB(A).

## **F** Hard floor cleaning performance class

Describes the dust pick-up from a standardized test hard floor with crevice

# Choosing the right vacuum cleaner for your home.

From allergy sufferers to pet owners to busy professionals – everyone has different cleaning requirements. We've sorted our vacuums into categories based on various needs to help you narrow your search.

For those who simply must have

## The Best

Enjoy the superior quality & performance of Bosch's top of the line German engineered vacuums.

For those who demand

## Max Efficiency

Enjoy the superior cleaning performance & mobility with more energy savings.

For those who give

## Special Care

Designed for optimum dirt and dust elimination for pet owners and allergy sufferers.

For those who want it

## Easy as ABC

Enjoy light weight, fuss-free operation to breeze you through your cleaning needs.

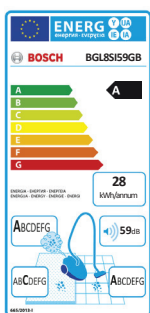

# Maximum performance, minimum noise.

Our bagged vacuums features the latest innovations for incredible cleaning performance and whisper quiet operation.

## BGL8SI59GB In'genius ProSilence

### Quietest vacuum cleaner with excellent cleaning performance

QuattroPower System  
650W Made in Germany HiSpin motor  
Class A dust pick up on hard floor with crevice  
Parquet brush, upholstery nozzle, crevice nozzle and furniture brush  
SilenceSound System - 59dB(A)

### Suitable for Allergy sufferers

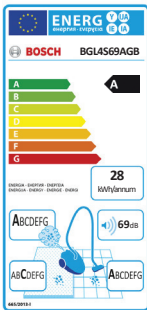

Washable Upa 15 filtration  
AirSafe design reduces air leakage  
New improved PowerProtect dust bag  
XXL size dustbag volume up to 5L

### High manoeuvrability

15m longest operation radius  
4 x 360° wheels for maximum stability

## BGL4S69AGB ProSilence

### SuperSilent compact vacuum cleaner with thorough and quiet cleaning

- QuattroPower System
- 700W Made in Germany HiSpin motor
- Class A dust pick up on hard floor with crevice
- Parquet brush, upholstery nozzle, crevice nozzle and furniture brush
- SilenceSound System - 69dB(A)

### Suitable for allergy sufferer

- Washable HEPA13 filtration
- AirSafe design reduces air leakage
- New improved PowerProtect dust bag
- XL size dustbag volume up to 4L

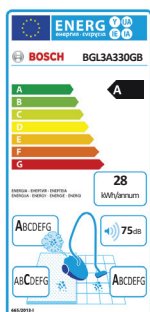

### High manoeuvrability

- 4 x 360° wheels for maximum stability

## BGL3A330GB ProEnergy

### Superb cleaning performance with low energy consumption

QuattroPower System  
650W Made in Germany HiSpin motor  
Class A dust pick up on hard floor with crevice  
Parquet brush, upholstery nozzle, crevice nozzle and furniture brush

### Cost savings & cleaner air

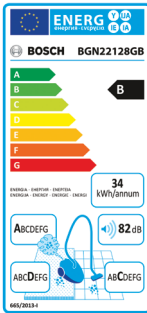

Washable HEPA13 filtration  
AirSafe design reduces air leakage  
New improved PowerProtect dust bag  
XL size dustbag volume up to 4L

### High manoeuvrability

4 x 360° wheels for maximum stability

### BGN22128GB (Bagged & Bagless)

#### **Excellent cleaning performance and low energy consumption**

700W Made in Germany HiSpin motor  
Parquet brush, upholstery nozzle, crevice nozzle

#### **Suitable for allergy sufferer**

Washable HEPA13 filtration  
L size dustbag volume up to 3.5L

#### **Easy to use**

Compact size and lightweight  
Versatile bagged or bagless cleaning

# Powerful, cordless and the longest runtime.

Athlet: The first cordless vacuum cleaner from  
Bosch with the cleaning performance of a 2400-  
watt vacuum cleaner\*

## Did You Know?

Why every home should have a cordless handstick vacuum.

A good handstick is both **light** and **manoeuvrable** for easy option. Cord-free models allow for maximum dust pick-up without snagged wires or annoying power socket swapping. With the right handstick, you gain the freedom and power to spot-clean quickly. True hassle-free cleaning has never been easier.

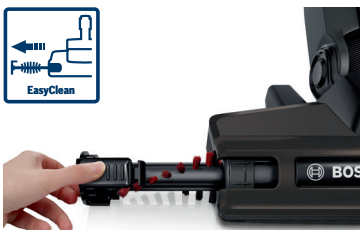

# Because life should be this easy.

## Allfloor HighPower Brush

The motorized Allfloor HighPower Brush is capable of reaching 5000 revolutions per minute and has an aerodynamic design that is optimized for dirt removal.

## Easy to clean with EasyClean™ System

Easy removal of dirt and hair from brush roll and dust container.

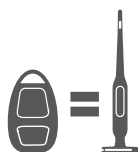

## Did You Know?

### How the Athlet compares with a conventional vacuum cleaner.

The new Athlet from Bosch is a powerful handstick vacuum that achieves cleaning results that are comparable to a corded 2400 watt vacuum cleaner on all types of floors.\*

\* Dust pick-up in comparison to a 2400 watt vacuum cleaner (BGL32400) on carpet and hard floor with crevices. Tested according to EN 60312.

Results comparable to a conventional vacuum cleaner at 2400 watts\*

## Lithium-Ion Technology

Lighter and highly durable batteries for quick and hassle-free vacuuming.

Up to 75 minutes of autonomous operation

The combination of a motor with a highest capacity lithium-ion battery (25.2V) allows the Bosch Athlet vacuum to function up to 75 minutes.\*\*

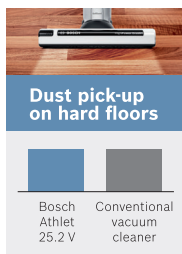

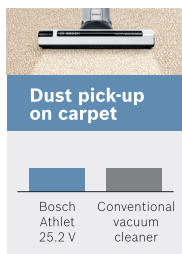

## Sensor Bagless Technology™: SensorControl

The SensorControl system sends an LED alert when the filter requires cleaning, ensuring optimal dust pick-up every time you vacuum.

\*\* Operation time varies depending on the model and speed setting selected.

## BCH6ATH25 Athlet (White) 25.2V

### **Excellent cleaning performance, maximum convenience**

3 performance level settings  
SensorBagless™ technology  
Lithium-ion technology - up to 60  
minutes run time  
Motorized Turbo brush that is easy  
to clean

### **High manoeuvrability**

Ultra Light - 3kg

## BCH65RT25K Athlet RunTime Plus 25.2V

NEW

### Excellent cleaning performance, maximum convenience

3 performance level settings  
SensorBagless™ technology  
Lithium-ion technology - up to 75  
minutes run time  
Motorized Turbo brush that is  
easy to clean

### High manoeuvrability

Ultra Light - 3kg  
Includes Accessory Kit

### The Athlet Accessory Kit (BHZKIT1)

An ultra-light professional accessory kit  
that frees you from limits.

# The new Ready'y 2-in-1 opens up entirely new dimensions.

The integrated detachable vacuum cleaner can be removed or re-attached quickly and easily. Be it the sofa, the table or the inside of your car, the Ready'y guarantees maximum flexibility.

## 1 High level of comfort

Thanks to its carefully balanced design and ergonomically positioned on/off switch the handheld vacuum cleaner fits perfectly in the hand and is easy to use.

## 2 Thorough cleaning

The handheld vacuum cleaner ensures a fast, thorough cleaning result thanks to its high air flow. The crevice nozzle attachment makes vacuuming in narrow spaces easier.

## 3 Battery status indicator for maximum dust pick-up every time

The perfect solution for displaying battery status: A colour-change LED. The LED turns blue when in operation and turns red when charging. The red light disappears when the battery is fully charged.

## 4 Hygienic & easy to clean

The dust container and washable, high-tech foam filter are readily accessible and if needed, can be simply removed from the vacuum for cleaning.

### **Flexible nozzle joint**

Unrestricted cordless vacuuming around and under furniture thanks to the flexible nozzle joint.

### **Easy cleaning brush**

The motorised nozzle is quick and easy to clean thanks to the practical EasyClean system.

### **Removable and exchangeable battery pack**

The battery pack can be removed at the touch of a button. A replacement battery pack (available from service) can be used to double the operating time.

## **BBH22041**

**Royal Blue Metallic Ready'y 20.4V**

### **Powerful performance, maneuverable and convenient**

- Up to maximum 44 minutes run time
- Motorised turbo brush
- Light weight
- EasyClean brush
- Washable filter

# Service you can trust in.

Reliable, expert, fast: the customer service of Bosch, the manufacturer.  
Before and after purchase – a lifetime long.

## **Our service quality. Awarded!**

Our Bosch customer service scores top marks around the world for its performance. In Great Britain, for instance, it was winner of the "Total Excellence & Quality Award".

## **Reliability guaranteed. No compromises.**

All Bosch home appliances are produced with maximum care, in high quality materials. We promise it in our 2-year manufacturer's warranty on all appliances.

## **Quality service straight from the manufacturer. Original Bosch.**

We are committed to quality - also when it comes to after sales service. For no-one knows our appliances better than our highly trained service engineers. They are working with the latest equipment for measuring, diagnostics and repairs, and use only original Bosch spare parts.

## **Our service quality. Awarded!**

Our first-rate service quality scores top marks around the world. In Poland, the Bosch customer service was awarded for the highest service quality in the "Home Appliances Customer Service" sector in 2010 - for the third time running.

## **Extensive customer service network. Just a call away.**

Immediate help in your home for large appliances such as washing machines or dishwashers need specialised engineers who offer on-site diagnosis and repairs. We are just a phone call away!

### **Fair repair prices. Guaranteed.**

Even in out of warranty situations you can rely on us. Our customer-friendly pricing system based on all-inclusive prices is transparent and reliable. We will be happy to advise you on the best solution.

### **Lifetime service. It goes without saying at Bosch.**

Once your warranty period is over, we are still there to assist you. You can rely on expert care and first-rate service throughout your appliance's life cycle. From missing instruction manuals to appliance repair - we take care of everything. A promise is a promise!

### **Original accessories. Effective care products.**

Take a look at our extensive range of accessories for some inspiration: discover additional uses, replace old materials for optimum operation or simply give a trusty home appliance a good work-over. With the right care, you will be able to enjoy your high quality appliance for many years to come. To help you do so, we offer a wide range of Bosch certified cleaning and care products.

### **Spare parts and accessories. Fast and reliable.**

Regardless of which Bosch home appliance the part is for, important operational spare parts are stocked for at least 10 years after product discontinuation, thus ensuring that you will be able to enjoy your high quality home appliances for many years to come.

### **For service repair and spare parts replacement, please contact:**
