Supplier Declaration of Compliance — Gas (Safety & Measurement) Regulations 2010

All gas appliances and specified fittings **supplied by Importers or NZ manufacturers after November 2002** must have a supplier declaration. Any appliance imported/manufactured after 1 July 2013 must be in the 2010 format with full certification. Installers must ensure there is a declaration or carry a gas safety compliance mark before they install such a gas appliance.
