Small space living.
The big new movement.

Explore Small Space Appliances.

Bosch Home Appliances. Invented For Life.

Small space living is no longer seen as a sacrifice or compromise. More and more, people are choosing smaller-scale living out of desire, rather than need. Designing for small spaces, especially kitchens, lends itself to embracing the beauty of simplicity and efficiency. Clean, uncluttered lines. Easy aesthetics. And smaller-scaled appliances designed in correct proportions, create balance and harmony within the surrounding space.

Bosch's suite of 18" and 24" appliances are specifically designed to fit downscaled living, without sacrificing upscale tastes. Premium in every way, Bosch small scale appliances feature the quality and performance you'd expect in full-size appliances.

24" Cooktops

Bosch 24" Cooktops are available in gas, electric or induction, and are ideal for any small space kitchen. The Gas Cooktop includes an 11,500 BTU burner, and stainless steel knobs for a premium look and feel. The Electric and Induction Cooktops offer the flexibility of four burner elements of varying size and power, with a sleek, frameless design.

24" Ventilation

Bosch 24" Ventilation is available in a Pull-Out Visor or Chimney Wall Hood. All Ventilation options use 300-400 CFM blowers. On appliances that protrude into open space, the hood stores neatly inside the unit when the Ventilation is not in use.

24" Wall Oven, Speed Oven & Drawer Microwave

Offering Convection Pro for even baking, the Bosch 24" Wall Ovens feature multiple cooking modes and two levels of broiling. The 24" Speed Oven pairs the cooking qualities of a conventional oven with the speed of a microwave, designed for smaller spaces. A 24" Drawer Microwave is also available.

18" Dishwashers

Bosch 18" Dishwashers feature thoughtful innovations such as a third rack, a RackMatic® height adjustment, system and AquaStop® Plus Leak Protection. The 18" Dishwashers are ADA compliant and are available in a variety of handle options such as bar, recessed and custom panel ready.

24" Refrigerators

Bosch 24"refrigeration offers industry leading efficiency, with both the 500 Series Refrigerator and the 800 Series Refrigerators with ice maker named ENERGY STAR®'s Most Efficient for 2021. They fit small spaces with a sleek sophistication, featuring hidden hinges and reversible doors, allowing for next to wall placement and flush installation. These true counter-depth refrigerators are available in a variety of styles and finishes—including stainless steel, luxurious black or white glass and custom panel.

24" Compact Laundry

Small goes beyond the kitchen, too. Bosch 24"
Compact Washers and Dryers deliver ultra-quiet
performance and energy efficiency. All Bosch laundry
units are ENERGY STAR® certified, with the 500 Series
laundry pair awarded the Most Efficient Mark in 2021.
The laundry pairs can be installed stacked, side-by-side,
under counter, or on pedestals. And with no venting
required for the dryer, the models can be installed
almost anywhere in the home.
