Bosch X'mas Home Party Guide

All the best tips to host the perfect home party

The year-end holidays are always a great time to host a nice home party for friends and loved ones so everyone can relax, catch up and celebrate over a hearty meal.

With a little planning, putting a perfect evening together does not have to be daunting or stressful. We've put together this handy guide so you can enjoy your party as much as your guests.

Party Planning Checklist

Getting that lovely evening organized can be a piece of cake with these steps.

3 Weeks Before...

- ☐ Set Party Date, Time, Venue & Budget
- ☐ Create Guest List, send Invitations w RSVP options
- ☐ Plan the Menu and Recipes
- ☐ Approach and Book any Help needed

1 Week Before...

- ☐ No RSVP received? Send Reminders.
- ☐ Start cleaning up your house.
- ☐ Buy meat, dairy, produce and other ingredients.
- ☐ Prepare Music Playlist and Any Entertainment

A Day Before...

- ☐ Set up your Decorations.
- ☐ Cook what you can

Party Day

- ☐ Prepare drinks
- ☐ Cook up your Feast
- ☐ Check the House, Set Tables,
- ☐ Start the music and Greet the Guests.

Most importantly,
Relax and Enjoy yourself!

Getting your Living Room Ready

Every host wants to create the best impression when guests visit but getting your home spick and span can be daunting for some homeowners. Here's a simple plan to get your living room ready for your party.

De-clutter

Move everything that doesn't belong in the living room back to their appropriate places – starting with bigger items and then moving on to smaller ones. Consider getting a box for items that just need to be quickly “kept away” and properly organized later.

Tackle the Glass

Next move on to the windows and other glass surfaces like television screens. Clean from top to bottom with a good glass cleaning solution to avoid streaks.

Dust and Wipe

Give the furniture in the room a quick dust or wipe down with a moist cloth. A vacuum cleaner is perfect for cleaning hard to reach crevices, nooks and crannies.

Finally the Floor

Give the floor a good vacuuming to complete the job.

Bosch Cleaning Tip

Select Active Oxygen programme on Bosch new ActiveOxygen Washing Machine to remove odours and bacteria up to 99.99% from your cushion covers and other fabrics.

Upholstery, Cushions and Rugs

These items create warmth at home but can easily trap dust. Wash your cushion covers in the washing machine and vacuum your carpets and upholstery.

While you have that Vacuum Out.

For example, make a flavourful soup with leftover chicken bones and meat and your Bosch MaxoMixx handblender. Experiment by adding your favourite ingredients like onion, garlic and basil stems and simmer for 1-2 hours before straining the soup. Shred and add excess chicken meat, throw in some leafy vegetables then serve.
