COOK up a feast

Use Bosch kitchen machines and food processors to prepare your feasts easily with professional results.

Spice up your reunion dinner with great tips at www.bosch-home.com.sg/cny-steamboat-tips

Tip: Use a Bosch hand blender to chop up nuts and other ingredients for your yu sheng and other CNY dishes quickly and conveniently.

WASH away the bad

Washing machines and dryers are perfect for giving sofa and cushion covers a good clean. Select the right wash programme and have your new clothes soft and fresh!

Tip: The Duvet function on Bosch machines is perfect for items stuffed with synthetic fibres like pillows, quilts and bedspreads.

CLEAN in 3-steps

- DECLUTTER by throwing out items you don't use or need.
- PACK remaining items where they belong.
- CLEAN with a powerful vacuum (we recommend a Bosch!).

Health tips for New Year's Day.

Here's a basic guide to help you enjoy your festive treats with moderation and care.

Staying Green

Minimize food waste by consuming them before expiry. Some foods store longer when refrigerated so check the labels or with suppliers to maximize the shelf life of your goodies.

While enjoying your new year snacks, be mindful to stay hydrated and eat slowly for better enjoyment and controlled intake. Keep up with exercise for guilt-free indulgence through the season!
