ProSilence 59
Allergy

QuattroPower System Made in Germany PowerProtect System

The beautiful and bold red exterior of the ProSilence BGL8SI59GB houses a powerful Hi-Spin motor that delivers excellent suction for effective dust elimination. Combined with our breakthrough SilenceSound design for an extremely quiet 59dB(A) operation, you can experience homes that are not only free of dust but noise too.

Extremely quiet
and powerful.

The PowerAnimal's BGS5PET3GB clean yet aggressive styling is matched only by its powerful and high-performance cleaning. Bosch's top-of-the-line bagless vacuum features the AirTurbo system that is tough on dirt and pet hair while SensorBagless technology ensures optimum performance at all times.
