“I would rather lose money  
than trust.”

Robert Bosch

## It's a Bosch!

Robert Bosch, our founder, centered the organisation's philosophy on performing even the smallest of tasks to perfection. For decades we have upheld this belief by creating home appliances of unparalleled quality that deliver absolute perfection.

Our assurance of perfection is credited to German engineering – a combination of high-class workmanship, creativity and the innovative strength of our engineers. Crafted with the finest quality materials, our products are hailed as the finest in Europe.

## Why choose Bosch?

### Proven quality

Bosch appliances offer premium quality, advanced technology, ease to operation and outstanding German made and engineered technology. These attributes have earned us many national and international accolades, such as the reddot Design Award, the iF product design award and other endorsements, year after year.

### Top performance

What drives us every day is our desire to improve. We strive to make the best even better, by developing functional, durable and energy-efficient innovations that surpass all expectations.

### Maximum convenience

Bosch is dedicated to making your life easier. Our small appliances are packed with great ideas, features and technology to make cooking experiences better and easier than ever.

## Appliances that are perfected to deliver, every day.

Experience the power of every day hassle-free food preparation with a range of smart appliances by Bosch. We believe that preparing any kind of food should be a thing you should look forward to rather than it being a sweat work in the kitchen. Hence, we craft our products to perfection expecting nothing short of perfect results.

We constantly strive to enhance your culinary experiences by providing appliances that are not only honed to finest detail but are also equipped to perform seamlessly.

“If you stop getting better,  
you’ve stopped being good.”  
-Robert Bosch

It’s a vision. It’s a tradition. It’s the Bosch way of life. Even our smallest appliances live up to the legacy of Robert Bosch, and come with our 125+ years of experience in making the finest appliances for your home.

Our appliances are insightfully designed by the best German engineers to help you overcome your daily kitchen woes as only then can you enjoy the freedom to prepare breakfast or meals with a lot of flair and creativity.

Built with superior German engineering and packed with thoughtful features that truly mirror the high standards set by Robert Bosch.
