

36" Built-In French Door Bottom-Freezer

Benchmark™ Series – Stainless Steel B36BT935NS

BOSCH
Invented for life

B36BT935NS
Stainless Steel

The 36" French door built-in refrigerator works efficiently to keep food fresh longer, and prevent the transfer of flavors and odors.

Features & Benefits

Remotely monitor and control your refrigerator with the Home Connect® app.

Bright LED lighting illuminates the entire interior.

Dual evaporators prevent odor transfer and optimize freshness.

Optiflex® hinge allows for flush-mount doors, without damaging surrounding cabinetry.

ENERGY STAR® Certified for energy efficiency.

Installation Details

HEATKITB82 Heater Kit

When two appliances are installed side-by-side a sealing kit must be used. For combinations that involve a freezer column, this kit is included. For all other (non-traditional, i.e. two bottom freezers) side-by-side combinations or instances where any appliances are installed less than 6" (152 mm) apart from one another but not connected side-by-side, purchase this kit. This kit is also recommended for use with any installation in areas that are subject to humidity, or located next to an outside wall.

Accessories: To purchase Bosch accessories, cleaners & parts please visit www.bosch-home.com/us/store or call 1-800-944-2904 (Mon to Fri 5 am to 6 pm PST, Sat 6 am to 3 pm PST).

Notes: All height, width and depth dimensions are shown in inches. BSH reserves the absolute and unrestricted right to change product materials and specifications, at any time, without notice.
