Refrigeration, reinvented.
The coolest advancements in freshness, ice, and more.

BOSCH
Invented for life
Bosch.
Designed for quality.
Invented for life.

Quality that goes beyond material. The new Bosch refrigerators are designed to make your life easier, more plentiful, and ever fresh.
Beauty is in the details.

Bosch counter-depth refrigerators feature a sleek, stainless steel exterior and an equally stunning interior that spares no detail. Enjoy a best-in-class freshness system. Bountiful fresh filtered ice, replenished fast. And a refreshment center that doubles as a built-in wine cellar. Form and function, evolved.
QuickIcePro System™
Makes up to 12 lbs. of ice per day,** for up to 40 glasses.***
Introducing the industry’s fastest refrigerator ice maker.*

Enjoy freshly filtered ice, replenished fast. Now, say farewell to frequent ice runs to the store.

*Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user’s manuals, for brands identified in US and Canada TraQline as freestanding French door bottom mount refrigerators.

**Based on single ice maker production rates during a 24-hour period, measured per IEC standards, when the ice bin was removed. Results may vary depending on operating conditions.

***Based on filling 8 oz. glasses.
QuickIcePro System™

The innovative QuickIcePro System™ combines three technologies to produce fresh filtered ice in your refrigerator—fast.

*Based on single ice maker production rates during a 24-hour period, measured per IEC standards, when the ice bin was removed. Results may vary depending on operating conditions. Based on filling 8 oz. glasses.

Industry’s fastest refrigerator ice maker**

The QuickIcePro System™ offers rapid ice replenishment, making up to 12 lbs. of ice per day, for up to 40 glasses.*

Fresh filtered water with UltraClarityPro™

The UltraClarityPro™ water filter reduces >99.9% of sediments that may be found in your water and ice, including harsh elements like chlorine and chloramine.

Hands-free with BottleFill

Fill your favorite glass or bottle hands-free using Bosch’s advanced BottleFill technology.
Minimize food waste with fresh foods in view and within reach. A best-in-class freshness system and innovative features keep your food fresh up to 3x longer.*

That’s Fresh by Design™. In every way.

*As compared to a Bosch refrigerator without FarmFresh System™. Results may vary among different foods.
FarmFresh System™
by Bosch
Preserve the foods you love up to 3x longer.*

The revolutionary FarmFresh System™ features four innovative freshness technologies that keep your food fresh up to 3x longer.* Enjoy less food waste, and more thoughtful design.

*As compared to a Bosch refrigerator without FarmFresh System™. Results may vary among different foods.
1. Preservation.

**VitaFreshPro™**

An industry first, VitaFreshPro™ automatically balances BOTH temperature and humidity levels based on the food setting. From produce to meats to cheeses, pre-programmed settings calibrate the optimal environment, removing the guesswork from food storage.

*Individual results vary depending on type, initial freshness and proper storage and use of food.*

2. Protection.

**FreshProtect™**

FreshProtect™ filter absorbs naturally occurring ethylene to slow ripening in produce sensitive to these gases. Designed to help fruits and vegetables like strawberries, apples, asparagus, and lettuce stay fresher, longer.
3. Fresh.

**AirFresh® filter™**

Keep your refrigerator and freezer air fresh, all while absorbing even the toughest food odors. Never worry about a replacement—the AirFresh® filter is built to last the lifetime of your refrigerator.

**MultiAirFlow™**

With MultiAirFlow™, evenly circulate cool, fresh air to maintain consistent temperatures throughout the entire fridge cavity, from door bins to back corners.
Like a wine cellar in your refrigerator.

The new Bosch counter-depth refrigerator, featuring the Refreshment Center™, puts your favorite beverages on beautiful display. Entertain friends and family, or keep everyday refreshments on hand and at the ready.
Refreshments in view and in reach.

The new Bosch Refreshment Center™ refrigerator features an easy-to-view, easy-to-reach glass display drawer. Pre-programmed settings take the guesswork out of finding the optimal temperature—from craft beer and wines, to champagne, juice, and other beverages.
Your personal wine cellar.

Sleek display drawer made of tempered glass holds up to an impressive 17 standard wine bottles, all with the perfect temperature and humidity. Or, remove the top shelf to make room for up to 6 magnum bottles.

From water to juices to seltzer.

Stay organized and free up refrigerator space by storing all your drinks—up to 35 standard beverage cans, in fact—in one easy-to-access drawer.
Thoughtful Features

Features designed to make life a little more chill.

From organization to water filtration, Bosch counter-depth refrigerators also offer a host of other innovative features that help make everyday life a little easier.

Savor the versatility and beauty of a Bosch kitchen.

Bosch refrigerators are just part of a full suite of available kitchen appliances. From induction cooktops to built-in ovens to ultra-quiet dishwashers, the heart of your home awaits.
Welcome to the connected home.

Part of the smart home, Bosch connected appliances are designed to make your life easier, keeping you in the know when it matters. Home Connect™ allows a variety of Bosch home appliances to be remotely controlled with a single app, for a new level of ease and convenience.
Master your day, in your own way, with Home Connect™.

The Home Connect™ app allows you to remotely monitor and control your Bosch refrigerator from your smartphone or tablet. Control the temperature, adjust lighting, run diagnostics—wherever you are,* for ultimate convenience. Connected refrigerators from Bosch are designed to give you peace of mind, customization, and simplification.

Peace of mind.

Door ajar notification.
Receive a notification on your phone should you accidentally leave your refrigerator door open for an extended time.

Remote diagnostics.
Should you ever encounter a problem, the Bosch customer service team can use remote diagnostics to connect to your refrigerator, helping you find a solution quickly.

Remote temperature control.
Remotely adjust and monitor the temperature of your fridge and freezer—even set it to vacation mode when you’re away.

Automatic water filter replacement.
Using Amazon Dash Replenishment, have your next water filter automatically scheduled for delivery when it’s time.

*Connectivity and speed varies based on network and WiFi levels.
Temperature customization.

Customize your VitaFreshPro™ drawer to the precise temperature and humidity you need to store your favorite foods, right from your Home Connect™ app.

Lighting.

Easily adjust the brightness level in your refrigerator from your phone.

SuperCool.

When you restock your fridge, opening the door can raise the inside temperature. Rapidly chill your food with SuperCool. Do this before you leave, at the grocery store, or even right as you get back—with the Home Connect™ app.

SuperFreeze®.

Before stocking your freezer with new groceries, set it to SuperFreeze® to help new food freeze even faster. Do this from home—or the grocery store—using the Home Connect™ app.
Meet the family.
