Why choose Bosch?

Quality

At Bosch 'German Engineering' stands for high-class workmanship – and for the legendary quality of Bosch domestic appliances. We never compromise, so we wouldn't expect you to either. That's why all of our vacuum cleaners have top of the range features as standard.

Suction power

A combination of quality design elements contribute to exceptional suction power and dust pick up. These include our powerful Bosch engineered motors, high grade filtration systems and specially designed AllFloor HighPower brush which facilitate maximum cleaning performance.

SmartSensor Technology

Our Athlet vacuum cleaners take out the guess work when it comes to cleaning and maintenance. The internal sensor continuously measures airflow rates to ensure that the vacuum cleaner operates at optimal performance. The SmartSensor Technology will prompt the user to clean the filters by flashing the red LED light.

Reliability guaranteed. No compromises.

All Bosch home appliances are produced using high-quality materials with maximum care. We promise this in our two year manufacturer's warranty on all appliances.

Which Bosch vacuum is right for your home?

The Bosch cordless range offers **three types of vacuums** that deliver powerful cleaning performance, are easy to handle and have a long runtime. We've made it easy for you to decide which product is best for your lifestyle needs.

SmartSensor Technology: Our Athlet vacuum cleaners take out the guess work when it comes to cleaning and maintenance.

Your vacuum's filter is the heart of the vacuum, keeping it clean and healthy is a priority in order to maintain outstanding operating performance and to enjoy a longer appliance lifetime. Bosch SmartSensor Technology constantly monitors the airflow rates throughout the vacuum to ensure it is operating at its optimal level.

Lithium-Ion Technology:

The Bosch durable and powerful Li-Ion rechargeable batteries provide extra-long run time and short charging time with three-stage electronic protection system. Reliably prevents overcharging, overheating and deep discharge of the batteries.

Large dust container.

The Athlet comes equipped with a large 0.9L capacity dust container, so you spend less time emptying and more time vacuuming.

Three performance levels.

- Level 1: for normal cleaning jobs.
- Level 2: for difficult cleaning jobs.
- Level 3: for stubborn cleaning jobs.

EasyClean system.

The roller brush can be easily removed from the nozzle for cleaning. Cut away tangled hairs and suck them up without having to pick them out by hand.

Leaves you with nothing but good memories.
