The easy way to prepare food and keep it fresh for longer.

To find out more

# Prepare, preserve and store. All at your fingertips.

The Bosch ErgoMixx 1000 W hand blender, with a powerful 1000 W motor coupled with the Fresh Vacuum System, simply makes food preparation and storage a breeze.

The maximum power motor and various accessories are designed to meet the highest demands, from blending, chopping, shredding to kneading. Even the toughest ingredients can be quickly and easily prepared, making more time for you to enjoy great results.

Attach the vacuum pump to your hand blender with a simple click and you have a preservation system that allows fresher food, leftovers or snacks in vacuum containers and zipper bags. Say hi to the taste of fresh food every single day.

## Key features

### Variable 12 speed settings with Turbo

Simply select the best speed from the variable 12 speed setting depending on the results you desire. For full power and demanding tasks, just press the turbo button.

### Ergonomic & easy handling SoftTouch Grip

Its soft touch handle plus easy-to-reach and large buttons ensure optimum comfort and control with perfect slip-proof grip.

### Powerful 1000W Motor

Even the toughest ingredients can be prepared very quickly and easily, thanks to the powerful 1000W motor.

### Bosch QuattroBlade Technology (Anti-Splash)

The durable and extra sharp QuattroBlade delivers outstanding cutting action for fine blending results in no time, while the Anti-Splash feature prevents splashes and helps keep your kitchen spotless.

### Fresh Vacuum Pump (500mbar)

Attach the vacuum pump to your hand blender with a simple click and preserve fresh food, keeping them fresh for up to 2x longer with leftovers or snacks in vacuum containers and zipper bags

### Durable Tritan vacuum container (1200ml)

The stackable vacuum container are made of durable BPA-free Tritan and are stain and odor resistant. They can be used in the microwave for reheating of food.

### BPA Free Plastic parts & Zipper bags (1200ml & 3800ml)

The multi-layered tear-resistant zipper-bags are also BPA-free and reusable. They can also be used in the microwave for reheating of food.

### Dishwasher safe parts

Most of the parts are dishwasher safe and this makes cleaning much easier and convenient.
