Kitchen Machines | Features

# Bosch makes it easy.

Our multi-functional kitchen machines are packed with innovative, labour-saving technology so you can chop, blend, shred, mix and whisk your way more quickly through your food preparation task.

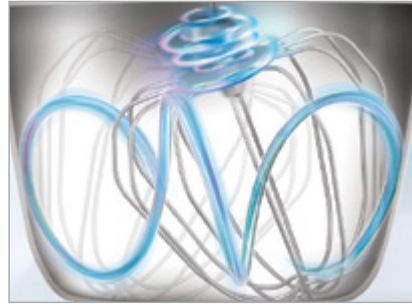

### Effortlessly powerful

With powerful motor of up to 1000-watt, ingredients are easily processed to ensure fast baking and cooking results. Kitchen prep has never been quicker, or easier.

### 3D Planetary Mixing

The mixing tools move in 3 directions, picking up the mixture from the sides, bottom and centre of the bowl to ensure that all your ingredients are mixed consistently and evenly.

### Multifunctional

Whether you want to whisk, knead, blend, grate, mince or juice, the Bosch Kitchen Machine saves you from needing to own multiple devices, freeing up that well needed space in your kitchen.

### Integrated Timer & Scale

The MUM5XW40 comes with a handy integrated timer, scale and a LED display, are meticulously precise, meaning perfect results every time!

Hand Blenders | Features

# Food preparation is now more seamless than ever.

Food preparation is now made easier with the ErgoMixx Vacuum Hand Blender. Its powerful motor and precise settings, along with a slew of complementing accessories, allow you to whip up any dish with ease and complete control, while keeping it fresh for up to 2 times longer\*.

### **Vacuum seal for longer freshness**

The vacuum system removes air from the vacuum zipper bags and containers, locking in the freshness of your fruits and vegetables – all you need to do is attach the pump with a simple click.

### **High performance motor with precise control**

Processing even the toughest, most challenging ingredients is made effortless with up to 1,000-watt motor and 12 speed settings to achieve the perfect consistency for your recipe.

### **Seal in the freshness for your storage needs**

The vacuum container is made of BPA-free Tritan™ which is not only crack and shatter-resistant, but stain and odour-resistant as well.

The reusable vacuum zipper bags; made of BPA-free material, are both tear-resistant and dishwasher safe. Able to use in the microwave at a temperature of up to 70°C or for sous-vide cooking of up to 85°C.

### **Multiple accessories for diverse kitchen needs**

The ErgoMixx Hand Blender comes with complementing accessories to help make your meal preparation a breeze, regardless of the recipe.

The QuattroBlade delivers optimal blending results in a flash, with an AntiSplash function that helps keep your kitchen spotless.

\*Based on fresh fruits and vegetables stored in vacuum container and bags in refrigerator, compared to ordinary non-vacuum storage methods. Results may vary depending on types of food stored. Study conducted by an independent laboratory 09/2018, 06/2019 and 12/2019.
