## Ergonomic features for high convenience and flexibility

### Flex tube

90° bendable tube for easy and ergonomic cleaning under furniture and other hard-to-reach places.

### Quick stand

Comfortably clean with the handheld unit while the nozzle and tube stand by themselves.

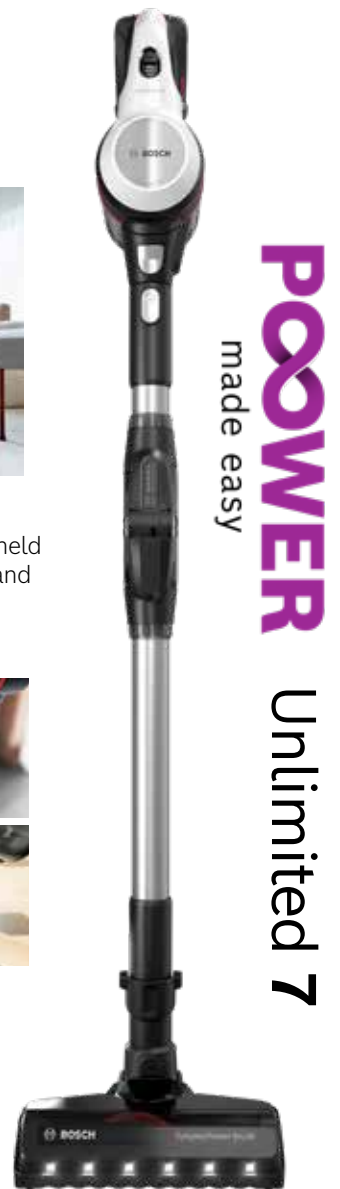

### Nozzle foot release

Detach the nozzle from the tube without bending over. Easily switch from floor cleaning to overhead or spot cleaning.

### Easy parking clip

Securely park the vacuum at the edge of a chair, table or benchtop when taking a break.
