# Your perfect cooking companions for delicious Asian flavours.

Specially crafted for Asian-style cooking, the new range of ASEAN gas hobs with the complementary wall hood elevates your culinary experiences while offering the right fit in every kitchen. It's time to turn up the heat.

## Designed for all your culinary adventures.

Looking for that intense heat to stir-fry in minutes or steady flames to braise for hours? Our ASEAN gas hob takes on your cooking tasks with ease. Enjoy fuss-free meal preparation for your loved ones while achieving that complex yet additive smoky flavours for all your dishes.

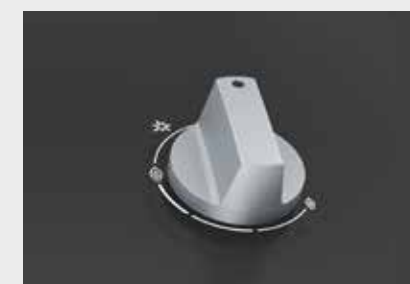

### Ideally shaped for multi-tasking

Accommodate up to 3 Asian cookwares easily with the gas hob. It is designed to give you enough space when you need to prepare different dishes simultaneously.

### 3D flame wheel burners design

Varied your cooking styles from stir-frying, braising and even steaming with our 3D flame wheel burners design, which gives you a power of up to 4.9 kW.

### Ergonomically-designed to support your cooking needs

Unleash your culinary skills with the improved pan supports keeping your cookware level and steady. Furthermore, our sword control knobs are designed to allow for ease of ignition, for the ultimate cooking experience.

### Made with durability in mind

Enjoy faster and stronger heating across your cookware with durable, high-performance brass burners. Save energy and time while you cook, thanks to their even heat distribution and superior heat retention.

## Enjoy an odour-free kitchen everytime you cook.

The new wall-mounted hood offers powerful extraction rate with 3-speed levels to choose from, ensuring fresh air throughout your kitchen as you cook.

### Remove odours efficiently

Keep your kitchen smelling fresh with our wall-mounted hood. Its superb extraction rate of up to 800m<sup>3</sup>/h effectively removes smoke and odours as you cook.

### Power level? Take your pick

Complete with a 3-speed power level option, you can easily choose one that fits the cooking style and recipe of the day.

### Simply designed to impress

The sleek full glass panel design coupled with electronic TouchControl offers a touch of quality and technology, befitting of every modern kitchen.

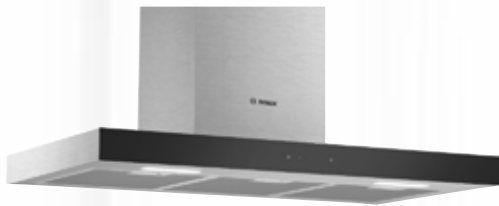

### Go easy on your eyes

Enjoy optimal illumination as you cook. The hood is fitted with energy-efficient and durable LED lights to provide you with additional visibility during meal preparation.
