

Invented for life

**BOSCH**

The perfect  
cleaning companion.

Made in Germany,  
powered by Bosch.

Cleaning just got a whole lot easier with the new Bosch Unlimited Series 6 cordless vacuum cleaner. Developed and produced in Germany, it features the latest Compact DigitalSpin brushless motor technology, for powerful cleaning on a lightweight and compact design.

**DESIGN  
AWARD  
2020**

# Powered by Bosch for perfect cleaning results.

With a light frame and powerful motor, the Unlimited Series 6 gives you the best of both flexibility and cleaning performance. It weighs only 2.3 kg when fully assembled, and with its strong suction power, keeping your home spick and span has never been easier.

## Features

### **Effective cleaning, reliable performance**

The Unlimited Series 6 is equipped with the latest Compact DigitalSpin brushless motor technology, which revolves at up to 65,000 times per minute to deliver excellent, emission-free suction. When combined with the rotating bristles on the AllFloor Power Brush, you can be sure of a thorough clean on all floor surfaces.

### **Quick & smart charging, with extendable runtime**

With the AL1880CV Quick Charger<sup>^</sup>, your battery can be fully charged in less than an hour. What's more, it automatically optimises charging output to protect and prolong the battery's lifetime. Additionally, with Click 'N' Power, you can extend the runtime of your vacuum cleaner by simply swapping out the rechargeable battery pack\* for one that is fully charged with just a simple click.

### **Accessories for every cleaning task, on all levels**

The cordless Unlimited Series 6 comes with useful accessories that allow you to effectively clean all kinds of surfaces and hard-to-reach areas in your home – no task is too difficult when you've got the right accessories on hand.

### **Fuss-free clean-up after use**

Cleaning after use can be simply done in two steps. Release the EasyClean dustbox and filter and tap them against the rim of your bin. Then simply tip it over – it's designed to prevent dust and dirt from flying all over the place.

<sup>^</sup> Quick charger sold separately.

\*Additional battery pack sold separately.

# Made in Germany.

We know that you value high quality appliances. With that in mind, we developed and produced the Unlimited Series 6 –**backed by over 80 years of experience in vacuum cleaning technology and subject to hundreds of testing hours at our factory in Germany** – our assurance of the true German quality you can expect every time you clean.

## Powered by 50 years of battery innovation.

Bosch's unique **Electronic Cell Protection technology** helps to **prolong the lifetime of your Lithium-Ion battery**, by automatically shutting down if too much strain on the battery pack is detected. This intervention also prevents the battery from damage due to overheating. The battery is also protected from deep discharge, greatly improving its lifespan even after prolonged use.
