#To achieve maximum ice cube production within a period of 24hours, empty the ice storage container every 4 hours.

Features and functions

Stay fresh, live large – VitaFresh XXL.

Our Multi Door Fridge Freezer‘s innovative cooling technology and the VitaFresh XXL system promise enduring freshness for your groceries. This system serves as a climate-controlled safe, delivering optimal temperature and humidity conditions for meat, fish, fruit and vegetables. VitaFresh drawers maintain near 0°C temperatures, ideal for food preservation. The extra-large drawers enhance organization and promote a healthier lifestyle by simplifying the storage of fresh foods. By extending freshness, food waste is reduced. Experience the difference with VitaFresh XXL.

Frost-free and carefree – No Frost fridge and freezer with Freezer Light*

This system ensures your fridge freezer stays ice-free by maintaining a constant flow of dry air, effectively making defrosting a chore of the past. It is more than just a feature; it is freedom from the hassle of defrosting. In addition, the freezer light provides a perfect overview of your stored items, ensuring you can quickly locate what you need – also in the freezer. Rediscover the ease of refrigeration with our reliable No Frost technology.

Your fridge, your way – Flex Interior with Multi Purpose Shelf*

Experience simplicity at its finest with our innovative Flex Interior. Effortlessly adjust shelves and door bins to accommodate all items, regardless of their size. Our new Multi Purpose Shelf eliminates space constraints, doubling as both a bottle rack and additional shelf. With our Flex Interior, enjoy easy and adaptable storage solutions – it is your fridge, your space, your way.

Quality meets style – superior design and material.

Have you ever thought that a fridge could enhance your kitchen? Well, with our Bosch Multi Door Fridge Freezer, it‘s a reality! Crafted with the finest materials, its design is both purist and striking – a clear commitment to quality. Whether your kitchen has a modern, minimalist look or a classic, timeless charm, our multi door variants in brushed steel anti-fingerprint and brushed black steel anti-fingerprint seamlessly blend in your kitchen‘s aesthetic appeal. It‘s not just a fridge, it‘s a statement of style and quality!

Smart & connected – fridge control at your fingertips#

Meet our “Smart & Connected” Multi Door Fridge Freezer. Control your fridge anywhere with the Home Connect app. Adjust settings such as the bottle filling height, or change lighting from bright to ambient. Receive alerts for open doors, water filter changes, or low water levels in the tank. Easily switch between eco and vacation modes. Benefit from our Bosch customer service‘s remote diagnostics. Welcome to a streamlined and personalized refrigeration experience.
