Aroma Max System

Seamless technology for consistent coffee quality.

MilkMagic Pro

Easy milk frothing solution – directly in the cup.

Front-opening service door

Suitable for tight spaces and convenient for cleaning.

Coffee World

With up to 20 coffee variations from 8 countries, simply choose from a variety of coffee specialties in the Home Connect App.

Aroma Select

Adjust the strength of the coffee to your personal preferences from mild, balanced or distinctive.

AromaDouble Shot

Coffee produced is less bitter with AromaDouble Shot. It grinds and brews extra strong coffee in two steps and only half the water is used at each step.
