

Invented for life

# The next level of cooking

Premium design meets healthy cooking.

**NEW**

Series **8**

## Designed for all of the senses.

No matter whether you prefer steaming, baking or roasting, the new Series 8 oven range from Bosch has got all kitchen skills covered. With 60cm or 45cm ovens, built-in coffee machine and warming drawer – all in the same stunning seamless design. The elegant panel with the new Digital Control Ring engraved in the glass and the stainless steel handle with an embossed Bosch logo were made to perfectly integrate into the kitchen environment, making cooking a delight on all levels.

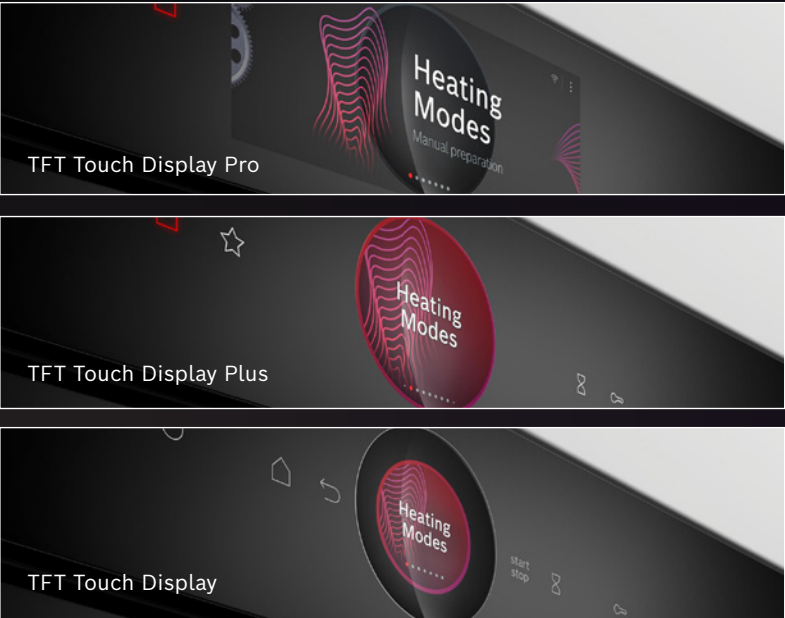

## Design and display overview.

### Series 8

TFT Touch Display (size: 45mm x 45mm)	TFT Touch Display Plus (size: 70mm x 70mm)	TFT Touch Display Pro (size: 160mm x 70mm)
Stainless steel handle		
Air Fry Function		
Home Connect Oven Assistant with Voice Control		

## Put your food on display.

New and improved interface for intuitive control. Use the Digital Control Ring, engraved in the glass, paired with clear, vivid images and text to navigate through program options. For a more detailed interface, we have designed the enlarged TFT Touch Display Plus or Touch Display Pro touch screen on selected models.

**Digital Control Ring.**  
Adjust your oven settings intuitively. A simple swipe with your finger and touch to select your desired setting.

# New range, new functions.

## Air Fry function.

Air frying requires less fat than deep frying for a delicious and crispy dish. Making it a great option for healthy cooking at home. Furthermore, no extra device taking up bench space!

### Fry this at home.

Why not make your own potato or veggie chips? Simply place thinly sliced potatoes or vegetables on the Air Fry & Grill tray, add a little oil, select the Air Fry function, and soon you'll have yummy snacks ready to go. The program combines fast air movement and heat from the grill to achieve a crispy finish.

## Cooking in the best company.

### PerfectBake Plus and PerfectRoast Plus.

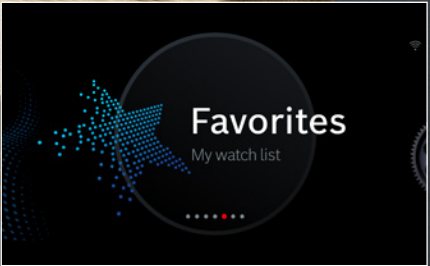

The new ovens with Artificial Intelligence (AI) support you with the collective experience of other cooks around the world. The ovens learn based on a growing amount of anonymised data from numerous baking and roasting processes. The more frequently households use the ovens AI ovens, the more precisely your oven predicts the exact end time of your cooking process. Home Connect and AI support features like **PerfectBake Plus** and **PerfectRoast Plus** on selected models.

### Bosch Assist Function.\*

Not sure which oven setting to choose? The Assist Function is here to help. Simply select the dish you're cooking in the control panel, and your oven does the rest. The ideal heating mode, as well as temperature and time are all set automatically. Perfection at the push of a button.

\*Available on selected models only.

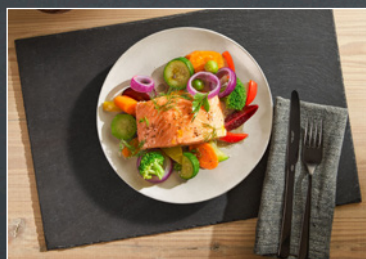

### Favourites.

To avoid having to enter the same settings for your favourite dish over and over again, just save them under 'Favourites' so that you can access them instantly and at any time, both on the appliance and in the Home Connect app. To enjoy 'Favourites', just connect your oven to your registered Home Connect account.

# Steam, the perfect ingredient for healthy cooking results.

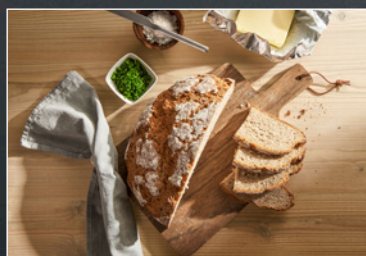

What is nicer than the smell of freshly baked bread – with a perfect crust on the outside and fluffy on the inside? Or the thought of freshly steamed salmon and veggies conveniently made in one oven? It's easy when you use Bosch steam ovens.

## Steam Function Plus.

Vegetables cooked with full steam stay crunchy and retain natural aroma, vitamins and nutrients. The new Steam Function Plus steams at a temperature of up to 120°C, your dishes are cooked faster and retain even more of their vitamins and nutrients. For example: potatoes are steamed up to 35% faster and green beans are ready up to 55% quicker\*!

\*Steam Function Plus compared to 100°C steam, BSH laboratory test.  
Only available on model HSG758DB1A.

## Perfect Steam.\*

Is your bread or roast missing that crispiness or coming out too dry? Thanks to Perfect Steam, precise sensors constantly measure the oxygen, calculates the humidity level in the cavity and automatically regulates the steam level. By selecting the Added Steam function or a program with steam support, the sensor is activated and regulates the precise amount of steam. Perfect Steam does it all automatically.

\*Available on selected models only.

## Home Connect app.

Want to unlock the full potential of your appliance? Just connect your oven to your registered Home Connect account ([www.home-connect.co.nz](http://www.home-connect.co.nz)) to control it at your command, even while you are out and about.

# At last there's someone in the house who likes to clean.

Anyone who has ever cleaned an oven by hand knows how exhausting and time-consuming it can be. This chore is now a thing of the past, thanks to Pyrolytic self-cleaning and Eco Clean Direct.

## Pyrolytic self-cleaning\*.

Our pyrolytic self-cleaning ovens let you say goodbye to this unpopular chore once and for all. Just select the feature, press "Start" and, depending on the degree of soiling, your oven heats up to 480°C, burning away grease or food residue# – no chemicals needed. Once the oven has cooled down, simply wipe out the bit of ash and you're done.

#Metal racks may show slight discolouration after prolonged use of the pyrolytic function. Please refer to manual if your racks are pyrolytic proof.

## EcoClean Direct\*.

EcoClean Direct takes the effort out of oven cleaning. A special coating of microfine ceramic spheres on the oven walls and roof gently breaks down grease spatters while you roast or bake. Whenever you want to clean the oven, you only need to wipe the base of the oven and the glass door. For optimum cleaning, simply activate the regeneration cycle from time to time^.

^ Please remove all accessories when activating the specific EcoClean Direct program.

\* Features vary depending on model. Please check individual product specifications.

# Sometimes our best ideas end up in a drawer.

The new multi-functional warming drawer can do much more than just keep food and plates warm. It is perfect for slow-cooking meat, defrosting frozen foods, melting chocolate, drying fruit and letting dough rise.

## Warming drawer.

Installed either separately or in combination with matching ovens, compact ovens or built-in coffee machine. Push & Pull technology on our warming drawer ensures it is always easy to open, even when you have both hands full. Our warming drawer is available in 14cm height.

With the Home Connect app, your warming drawer can be controlled on the go. Monitor the on/off status of heating programs, set a timer to turn off the drawer and personalise your favourite settings.

# Now your favourite flat white at your command.

Whether your preference is a flat white, a latte or a double shot cappuccino, our Series 8 built-in coffee machine brings café-style drinks to your home.

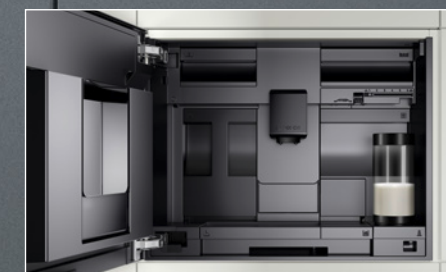

## Aroma Select.

Enjoy espresso just the way you like it. With Aroma Select, you can adjust the strength of the coffee to your personal preferences. Simply choose between three different aroma profiles: mild, balanced or distinctive.

## Coffee World.

Whether a Spanish café cortado or an Italian ristretto, thanks to Coffee World, you can effortlessly create international coffee specialties – at the touch of a button. With up to 20 coffee variations from 8 countries, simply select the type of coffee you want in the Home Connect app, and let your Bosch espresso machine do the rest.

## AutoMilk Clean.

Say goodbye to the hassle of cleaning the milk system every day. Thanks to AutoMilk Clean, the milk system is fully automatically and thoroughly steam-cleaned after each drink, keeping it clean and hygienic.

# Complete your kitchen with a Bosch dishwasher and induction cooktop.

**FlexInduction cooktops.**  
Ideal for pots and pans of all shapes and sizes. With unique coil shapes you get ultimate flexibility and heat distribution. At the touch of a button, combine two induction zones into one large FlexInduction surface.

**DoorOpen Assist with push to open.\***  
Series 8 dishwashers automatically open the door towards the end of the drying phase for a better dry with the added bonus of saving energy.

**Zeolith Drying Technology.\***  
Absorbs water molecules in order to dry dishes quicker with ultimate energy efficiency.  
\*Selected models.

## PerfectFry sensor – for a steak that is just right.

With up to 5 automatic settings, the pan is heated to just the right temperature. Sensors inside the cooktop continuously measure the temperature and maintain it for perfect results. Works with Bosch PerfectFry sensor pan.

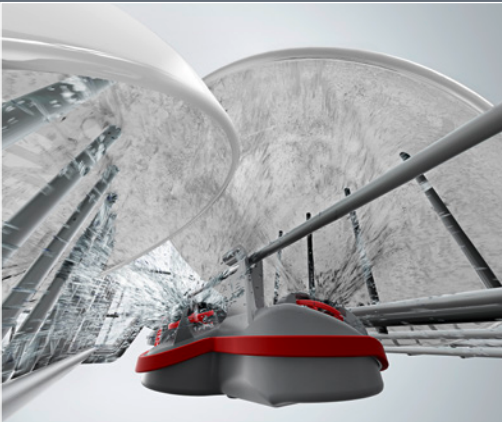

## Vario Hinge installation.

The door hinge allows the cabinetry door panel to slide upwards while opening, allowing for reduced plinth height (minimum 5cm).

## ExtraClean Zone.

Designed for dishes needing an extra soak in the upper basket. A constant spray from three rotating nozzles allows three times more water on tougher to clean items.

# Why choose Bosch?

## Quality comes from experience.

All Bosch products are manufactured to the highest possible standards, using only premium quality materials. We undertake quality and endurance tests for our products under continuous usage conditioning. Not a single appliance leaves our factory until it has been proven to meet our high standards.

Home Connect

## Home Connect\* – Connect your household.

With Home Connect, you can control your Home Connect enabled appliances easily: From the washing machine to the cooktop, to the rangehood or the coffee machine. The Home Connect app gives you access to all the relevant information at any time. It can not only switch your appliances with Home Connect on and off, it can also select programs, adjust timers, set appliances to eco mode and much more.

Find out how Home Connect can help your household become more efficient and safer at the touch of a button at [www.home-connect.co.nz](http://www.home-connect.co.nz).

## Why not try the app?

Experience it yourself: download the free Home Connect app and try Home Connect even if you don't have an appliance.

\*Selected models.

## Extensive Customer Service Network.

Our friendly Bosch Customer Care team is on-hand to provide competent, reliable assistance. Before or after purchase, the Bosch team will be happy to advise you on products, their use and special functions. To get in contact with our Bosch team, call us on 0800 245 700 or email us at [aftersales.nz@bshg.com](mailto:aftersales.nz@bshg.com).

## Reliability Guaranteed.

We offer a 2 year manufacturer warranty on all our appliances. You can register your appliance with the warranty card or online at [www.bosch-home.co.nz/mybosch](http://www.bosch-home.co.nz/mybosch).
