Bosch Fully Automatic Coffee Machine

From espresso to latte macchiato, the OneTouch Function swiftly prepares any coffee specialty. With automated control, each drink is just a button away.

Cup warmer

Ensure your coffee cups are warmed up before brewing your coffee.

Two cups simultaneously

The Bosch fully automatic espresso machine brews two drinks simultaneously with a click, ending morning wait times.

Ceram drive for a perfect ground every time

Unlock rich flavors with Bosch Ceram Drive's high-quality ceramic grinders, ensuring every brew delivers long-lasting rich result.

Ceram grinder for freshly ground coffee

Experience the full aroma of freshly ground coffee beans with the durable Ceram Grinder, ensuring lasting freshness.

Extra strong coffee with less bitterness.

Brewing coffee with Aroma Double Shot minimizes bitterness by using half the water at each stage, resulting in extra strong coffee with maximum flavor

Don't Miss Out on the Most Important Meal of Your Day

It's great when the most important meal of the day is also the most delicious. Thanks to innovative technology, our toasters turn the best ingredients into an outstanding breakfast

Defrost and warm-up settings

Defrost and warm-up feature not only thaws your bread but also crisps it, delivering bakery-fresh goodness.

Bread roll warmer

Elevate your leisurely breakfast with our warming track – keeping crusty rolls and warm croissants perfectly fresh for guaranteed perfection.

Automatic shutoff

Hectic mornings? Our toasters got you covered with automatic shutoff for stuck bread, so you can focus on perfecting your toast toppings.

Breakfast

Swing-out filter holder

Make your morning coffee effortlessly with our swing-out filter holder – a simple and fast way to prepare your brew.

Drip stop

Say goodbye to coffee spills with DripStop function. Grab your jug without drips or stains, saving you the hassle of cleanup.
