- › **Before ordering, please check compatibility with your appliance.**

Vacuum Cleaner dustbags

Type G Vacuum Cleaner Dust bags

Ref.:17003048 & 17002095

- › The new PowerProtect Dustbag ensures up to a 60% more suction power on low wattage vacuum cleaners when the dust bag fills up in comparison to conventional dustbags.
- › Longer lifetime of the appliance: high dust retention capacity and custom-fit bag closure ensure efficient motor protection.
- › Up to 50% longer performance: less frequent dust bag changes thanks to extra high dust pick-up capacity.
- › Exceptional hygiene: 99.9% of fine dust particles are filtered, and the hygiene lock ensures clean disposal.
- › Suitable for all current variants up to energy efficiency class A+. High cleaning results for appliances with both low and high wattage (*except BSG8..., BSN1...).

Vacuum cleaner bag MegaAir SuperTEX - Type P&K

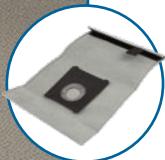

Ref.:00468264 & 00468265

- › Content: 4 vacuum cleaner bags and 1 micro-hygiene filter
- › Made with synthetic materials for maximum particle intake.
- › Hygiene shutter ensures safe disposal of the bags.
- › Suitable for BSG8... / VS08..., BSN..., BSN... /BSG1... / VS01... / VS01E and various older appliances.
- › **Please contact customer service to ensure compatibility.**

Reusable textile dust bag

Ref.:00577668

- › Increases the performance of your vacuum cleaner.
- › This dust bag can be emptied and reused.
- › **Before ordering, please refer to authorized service to check compatibility with your appliance.**
