

Summary of wash programmes

Fabric groups The symbols used on garment labels are shown below.	Permitted load size	Wash* programmes (depending on model)	Degree of garment soiling, practical advice and warnings	Additional functions (depending on model)	Programme length (mins. approx.) ***
Hard-wearing and colourfast fabrics, for example, cotton or linen 	5,0 kg	Cottons +Linens 30, 40, 60 °C	normal	without additional function	118
			Extra rinse, rinse hold, reduced spin speed cycles	Rinse Plus, Rinse Hold, $\frac{800}{600} / \frac{1000}{600}$	125
		60 °C Intensive Stains	stained	without additional function	140
			Extra rinse, rinse hold, reduced spin speed cycles	Rinse Plus, Rinse Hold, $\frac{800}{600} / \frac{1000}{600}$	148
		Cottons +Linens 60 °C + pre-wash (30 °C) **	highly soiled	without additional function	138
			Extra rinse, rinse hold, reduced spin speed cycles	Rinse Plus, Rinse Hold, $\frac{800}{600} / \frac{1000}{600}$	148
Delicate, machine washable, garments, for example, cotton or linen, synthetic or mixed fibre fabrics 	3,0 kg	Cottons +Linens 90 °C	highly soiled	without additional function	118
			Extra rinse, rinse hold, reduced spin speed cycles	Rinse Plus, Rinse Hold, $\frac{800}{600} / \frac{1000}{600}$	125
		Easy-Care 30, 40, 60 °C	normal	without additional function	75
			Extra rinse, rinse hold, reduced spin speed cycles	Rinse Plus, Rinse Hold, $\frac{800}{600} / \frac{1000}{600}$	80

Fabric groups The symbols used on garment labels are shown below.	Permitted load size	Wash* programmes (depending on model)	Degree of garment soiling, practical advice and warnings	Additional functions (depending on model)	Programme length (mins. approx.) ***
Very delicate machine washable garments , for example silk, satin, synthetic materials or blended fabrics (e.g. curtains).    	2,0 kg	Delicates 30 °C	normal	without additional function	50
			Extra rinse, rinse hold, reduced spin speed cycles	Rinse Plus, Rinse Hold, $\frac{800}{600} / \frac{1000}{600}$	55
Very delicate hand or machine washable woollen or woolmix garments , for example, cashmere, angora, mohair     	2,0 kg	Woollens cold, 30 °C	normal	without additional function	60
			Extra rinse, rinse hold, reduced spin speed cycles	Rinse Plus, Rinse Hold, $\frac{800}{600} / \frac{1000}{600}$	65

Additional programmes

Programme selector	Description/Application	Programme length (mins. approx.) ***
Rinse	Rinse cycle, with spin. For starching or rinsing handwashed garments. Maximum spin speed: 800 or 1000 or 1200 rpm (depending on model).	15
Spin	Cycle for spinning handwashed garments. Washing or rinsing water is pumped out before spinning the laundry. Maximum spin speed: 800 or 1000 or 1200 rpm (depending on model).	10
Drain	Pumps out the rinse water after completion of a wash programme with the Rinse hold option. Careful washing of delicate items.	2

* In all programmes without pre-wash, put the detergent in chamber **II** (left).

** Share the detergent between chambers **I** and **II**.

*** The times given in the table for the programme lengths are indicative only and may vary according to pressure, water hardness and temperature, the ambient temperature where the machine has been installed, the type and size of load, the detergent used, fluctuations in mains voltage and the additional functions selected.

More detailed information can be found in the instructions on installation and use of the machine, which should be read carefully, paying attention to the safety information they include.
