**5**

Diagram 5 illustrates the correct mounting of the door. It shows three examples of door placement on the hinges: two incorrect (marked with X) and one correct (marked with a checkmark). Below these, a side view shows the door is centered, with the formula  $X = X$ . The central part of the diagram shows the door being inserted into the frame, with a QR code and a warning symbol. Below this, it shows the door being closed and the hinges being adjusted. A screwdriver is shown with a warning symbol and a '3b' label. The number '8' is in a circle.
