

36" Induction Cooktop

Benchmark® Series – Black with Stainless Steel Frame NITP666SUC

NITP666SUC

Black with Stainless Steel Frame

Also available in:
Frameless NITP666UC

Introducing the newly designed and engineered induction cooktop, featuring the flexibility of FlexInduction® cooking zones.

Features & Benefits

FlexInduction® can combine two cooking zones into one larger zone.

A 12" dual heating element offers 4500W of power for quick results.

Induction cooktops offer faster cooking results than gas or electric.

SpeedBoost® boils water 2x as fast as conventional electric cooktops.

*For 36" model Boost function may be used simultaneously in 3 zones only. See User Manual.

Notes: All height, width and depth dimensions are shown in inches. BSH reserves the absolute and unrestricted right to change product materials and specifications, at any time, without notice. Consult the product's installation instructions for final dimensional data and other details prior to making cutout. Applicable product warranty can be found in accompanying product literature or you may contact your account manager for further details.

Warranties: Bosch warrants that the Product is free from defects in materials and workmanship for a period of three hundred and sixty-five (365) days from the date of purchase. The foregoing timeline begins to run upon the date of purchase, and shall not be stalled, tolled, extended, or suspended, for any reason whatsoever. This Product is also warranted to be free from cosmetic defects in material and workmanship (such as scratches of stainless steel, paint/porcelain blemishes, chip, dents, or other damage) to the finish of the Product, for a period of thirty (30) days from the date of purchase or closing date for new construction. This cosmetic warranty excludes slight color variations due to inherent differences in painted and porcelain parts, as well as differences caused by kitchen lighting, product location, or other similar factors. This cosmetic warranty specifically excludes any display, floor, "As Is", or "B" stock appliances.

36" Induction Cooktop

Benchmark® Series – Black with Stainless Steel Frame NITP666SUC

Installation Details

Installation above Wall Ovens

Notes:

Dimensions based on standard countertop height (36" with 4 3/4" toe kick including base plate).

The built-in oven can be installed below the induction cooktop as long as there is a minimum 1" (26) clearance between the bottom of the cooktop and the top of the oven.

Measurements in inches (mm)

IMPORTANT: Bosch 30" Induction Cooktops are not approved to be installed above wall ovens.

Measurements in inches (mm)
