

**BOSCH**

Invented for life

# Enjoy cordless freedom with Bosch

No cable. No compromise.

No cords, no limits,  
maximum flexibility.

## Why choose Bosch?

### Quality

At Bosch 'German Engineering' stands for high-class workmanship – and for the legendary quality of Bosch domestic appliances. We never compromise, so we wouldn't expect you to either. That's why all of our vacuum cleaners have top of the range features as standard.

### Suction power

A combination of quality design elements contribute to exceptional suction power and dust pick up. These include our powerful Bosch engineered motors, high grade filtration systems and specially designed AllFloor HighPower brush which facilitate maximum cleaning performance.

### SmartSensor Technology

Our Athlet vacuum cleaners take out the guess work when it comes to cleaning and maintenance. The internal sensor continuously measures airflow rates to ensure that the vacuum cleaner operates at optimal performance. The SmartSensor Technology will prompt the user to clean the filters by flashing the red LED light.

### Reliability guaranteed. No compromises.

All Bosch home appliances are produced using high-quality materials with maximum care. We promise this in our two year manufacturer's warranty on all appliances.

### Lithium-Ion Technology

The tried and tested Lithium-Ion Technology is synonymous with high performance, short charging times and long battery life. A three-stage electronic protection system reliably prevents overcharging, overheating and deep discharge of the batteries. Additionally they do not experience any memory effect.

### 2-in-1 for ultimate flexibility.

The integrated rechargeable handheld vacuum cleaner can be simply and quickly detached and used wherever and wherever you need it. It is ideal for cleaning small areas quickly, and in difficult to reach places like furnishings, upholstery, drawers, and cars.

### Can be set aside on its own.

Thanks to a slim freestanding design, the Ready'y can be conveniently stored and charged in a niche or corner.
