Powerful kitchen appliances for culinary success.

With over 60 years of cooking excellence, we strive to provide ideal results with technology that perfect your culinary creations. Every appliance is honed to the finest detail for all your baking and cooking ideas.

Perfect results in the kitchen, are now effortless with our range of kitchen appliances.

product
design award

reddot design award

60 years of German Engineering – your perfect kitchen machine.

Innovative technology

Unique integrated scales

- ▶ Weighing ingredients directly in the bowl or in the accessory, saving time and space

Timer function for added ease of use

- ▶ Set stirring times individually
- ▶ Machine stops automatically
- ▶ No need for constant monitoring

SensorControl Plus: Automatic programmes

- ▶ For egg whites, whipped cream and yeast dough
- ▶ Quick, reliable results automatically at the push of a button

Ultra-reliable: Smart dough sensor

- ▶ Ensures constant mixing speeds and fast results - even when preparing heavy doughs or using large quantities

Simple to use

Quick and convenient to assemble

- Colour-coded connections on the machine and corresponding accessories

Smart tool detection

- No matter what tool is used, it regulates the speed perfectly for each tool

High performance

1500-watt motor for fast preparation

- Processes up to 3.5kg of cake mixture or yeast dough at once, so you can prepare enough mixture for 6 ring cakes

Well-mixed: 3D PlanetaryMixing

- Perfectly mixed ingredients thanks to mixing motion in 3 directions at once

Large 5.5L bowl

- Capacity for large quantities, e.g. 3.5kg of cake mix

Attractive design

High-quality all-metal casing

- High-quality material and elegant, space-saving design

MUM9GX5S21

OptiMUM Kitchen machine

Innovative technology

- ▶ Unique integrated weighing scales
- ▶ New timer function that lets you set time required
- ▶ SensorControl Plus automatic programme

High performance

- ▶ Ultra-powerful 1500 Watt motor
- ▶ 3D PlanetaryMixing System

Simple and reliable

- ▶ SmartDough sensor for constant stirring speed
- ▶ Tools used are automatically identified and speed setting is automatically regulated

High quality accessories set

- ▶ Professional pâtisserie set
- ▶ Large 5.5L stainless steel bowl
- ▶ Continuous shredder
- ▶ 2.3L Thermosafe glass

MUM9Y35S12

OptiMUM Kitchen machine

High performance

- ▶ Ultra-powerful 1500 Watt motor

Versatile and multi-functional

The MultiTalent has over 50 functions and is equipped with multiple attachments to provide endless food preparation options.

► **More volume**

Includes a large bowl with a capacity of 3.9L. Even substantial amounts can be handled in one go.

► **Unrivalled power**

The motor, with up to 1250 watts of power, has adjustable speed. It can take on high volumes and manage difficult foods.

► **Precise cutting performance**

The innovative Supercut blade with a serrated edge and large cutting surface glides through with no resistance.

SilentMixx – The quietest power blender from Bosch.

The new SilentMixx blender allows you to whip up all you need, without the compromise of silence.

► **Super quiet**

The SilentMixx is also ultra-quiet because of its special glass design.

► **Automatic programmes**

Crushed ice or smoothies – the best results at the touch of a button thanks to the automatic programmes.

► **BPA - Free and Thermosafe**

Thanks to BPA - free plastics and Thermosafe glass, preparing hot and frozen food is guaranteed to be healthy and safe, especially for baby food.

Easy Klick Knife for ultra-simple cleaning and best performance

MMB43G2B SilentMixx Blender

Whisk comparison

With the innovative FineCreamer whisks, our engineers have succeeded in adding more air to the cream in a shorter time.

The result: over 20% more volume than other whisks, and up to 50% more when beating egg whites.

MFQ36400

ErgoMixx Hand Mixer
