Tested for superior quality and reliability.

The Switch Test:
Operates at least
45,000 times.

The Hose Test:
Withstands at least 40,000
bends under 2 kg of weight.

The Roller Test:
Rolls over door thresholds
at least 6,000 times.

The Housing Test:
Withstand being dropped 35
times from carrying height.

The Nozzle Test:
Vacuums 500 km
without a fault.

The Cord Retraction Test:
Rolls up at least
6,000 times.

Cordless Vacuum Cleaners.

Our cordless range comes with high performance with an extra long life*.
No cords. No limits.

* For selected Handstick models only.

Truly Unlimited. No cords. No usage limit.

Enjoy infinite runtime thanks to the Unlimited's interchangeable batteries and a quick charger.

Infinite Runtime.

Exchangable battery packs and a quick charger ensure you're always ready to clean.

Quick Charging (~45 mins).

It only takes ~45minutes for a full battery charge.

Clean as you charge.

With up to 60 minutes runtime and only ~45 minutes for a full charge, you can simultaneously use, charge and replace batteries for continuous cleaning.

No battery self-discharge.

Li-Ion technology allows charged batteries to hold their charge without loss in capacity even if unused for days.

Powerful Beyond Imagination with Unlimited.

Experience infinite vacuum runtime
and intensive cleaning performance
on all floors.

DID YOU **KNOW** ?

The Art of Quiet.

Powerful yet subtle, the Unlimited operates
at a pleasingly quiet tone, likened to enjoying
a calm conversation with 2 friends.

“I enjoy quality tools that free me from limitations, and the infinite runtime on the Unlimited provides exactly that.”

Andy Yang
Visual Artist

Popular works include:

- “Artskins” for Night to Light Festival 2018
- “The Many Glimpses of Drama” 2017
- The Jaguar Art Experience 2017

Unlimited Possibilities

There's a perfect accessory for every cleaning task.

**AllFloor
Highpower brush.**
Suitable for all kinds
of floors, from carpet
to parquet.

**XXL Upholstery
brush.**
Perfect for cleaning
sofas and cushioned
seats.

**Main core for
light cleaning.**
Great for light
cleaning without
added accessories.

Thanks to multiple accessories, you can clean up dirt spots in all kinds of spaces.

**2in1 Upholstery
& Furniture brush.**
Ideal for cleaning
upholstery furniture
and curtains.

Long flexible nozzle.
Brilliant at reaching
corners and tight
spots, even in cars.

Extension tube.
Great for extending
the range of your
reach.

Performance.

Powerful performance.

The Unlimited contains the latest motor technology: The DigitalSpin motor. Rotates faster than Formula 1 motor.

Intensive cleaning results.

The motorised AllFloor HighPower brush achieves through cleaning on all floor types.

Optimum cleaning performance.

Special bristles on the TwinBrush optimizes cleaning performance on both carpets and hard floors.

Convenience.

Especially handy.

Thanks to the docking station with integrated accessories, you have everything quick to hand.

Especially hygienic

The hygienic filter in the cartridge ensures that exhaust air is even cleaning than the room air.

Especially fast.

The dust box is easy to remove and empty without coming into any contact with dust.

Especially easy to clean.

The RotationClean system delivers 99.9% filtration and makes it easy to clean in no time. Lifetime filter materials included.

Product overview

	BBS1224 Unlimited Cordless Handstick	BBS1114 Unlimited Cordless Handstick
Number of Batteries	2x	1x
Type of Batteries	Lithium Ion	Lithium Ion
Battery runtime on Turbo Mode	14 (2X7) min	7 min
Battery runtime on normal Mode	Infinite*	up to 60 min*
Charging time	~45 min	4-5 hrs
Accessories		
High Power brush	Yes	Yes
2in1 brush	Yes	Yes
Crevice	Long flexible crevice tool	Long flexible crevice tool
Usable without accessories	Yes	Yes
Quick Charger	Yes	No
Hygiene		
Emission	99.9% filtration	
Filter cleaning	No filter washing needed	
Dust box emptying	Suitable for small bins	
Nozzle cleaning	No tools needed	

* Runtime is infinite with two Bosch Power batteries running on normal power mode, thanks to the included Bosch quick charger where one battery can be charged while the other is in use.
 Standard runtime with motorised motor: up to 45mins
 Standard runtime without motorised motor: up to 60 mins

* Without motorized nozzle.

Cleaning made easy and within reach with Flexxo cordless.

We've set out to make vacuuming your home quicker, and more convenient.

Integrated Accessories

A versatile range of accessories are incorporated into the Flexxo vacuum for easy access and flexibility.

Performance.

RobustAir System

Dust separation is now more efficient with the help of cyclonic air guidance and optimised sealings, ensuring cleaning performance is not compromised even when the dust box fills up.

Convenience.

Extendable Crevice Tool

With a reach of up to 55cm, the crevice tool can be attached to your device for easy cleaning of ceilings or cupboard tops.

Furniture/Upholstery

Brush Combination Tool

The furniture brush with extra long and soft bristles cleans your delicate surfaces effectively.

The upholstery brush features robust threadlifters that gets rid of hair clumps and dust from your textile surfaces.

Powerful, cordless and the longest runtime with Athlet.

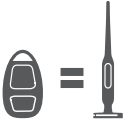

The first cordless vacuum cleaner from Bosch with the cleaning performance of a 2400-watt vacuum cleaner*.

Because life should be this easy

Exceptional Performance

Results comparable to a conventional vacuum cleaner at 2400 watts*

Up to 75 minutes of autonomous operation

The combination of a motor with a highest capacity lithium-ion battery (32.4V) allows the Bosch Athlet vacuum to function up to 75 minutes.**

Safe to Use Lithium-Ion Technology

Our Li-Ion batteries are safe to use and last longer due to an electronic 3-step protection system that prevents:

Overheating

Overcharging

Deep discharge

SmartSensor Control

The SensorControl system sends an LED alert when the filter requires cleaning, ensuring optimal dust pick-up every time you vacuum.

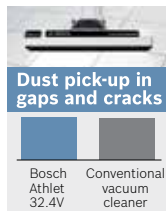

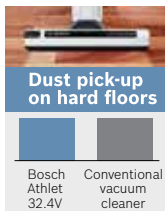

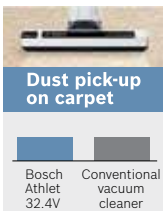

SmartSensor Control

DID YOU KNOW ?

How the Athlet compares with a conventional vacuum cleaner

The new Athlet from Bosch is a powerful handstick vacuum that achieves cleaning results that are comparable to a corded 2400 watt vacuum cleaner on all types of floors.*

* Dust pick-up in comparison to a 2400 watt vacuum cleaner (BGL32400) on carpet and hard floor with crevices. Tested according to EN 60312.

** Operation time varies depending on the model and speed setting selected.

Ready'y 2-in-1 and cordless.

A cordless handstick vacuum cleaner with a detachable handheld design for easy manoeuvring and swift cleaning.

Performance.

Better cleaning performance with shorter cleaning time. Its high airflow and motorised brush makes cleaning every corner of your home simple and faster.*

Faster Charging

It requires only 5 hours to charge with Lithium battery, allowing more frequent cleans.

Convenience.

Flexible nozzle joint

Unrestricted cordless vacuuming around and under furniture thanks to the flexible nozzle joint.

Easy cleaning brush

The motorised nozzle is quick and easy to clean thanks to the practical EasyClean system.

Thorough cleaning

The crevice nozzle attachment makes it easier to vacuum in narrow spaces.

*As compared to Ready'y'y NiMH and based on dust pick-up from hard floors with crevice and motorised brush activation on low setting.

Bagged and Bagless Vacuums.

Our canister vacuums feature the latest innovations for incredible cleaning performance and whisper quiet operation.

Designed with QuattroPower for maximum performance.

AirSeal
Special sealings prevent any leakages of air.

HiSpin Motor*
Improved airflow with low energy consumption.

- 15% less energy consumption
- Longer life span
- Quieter + Better performance

DID YOU **KNOW** ?

The QuattroPower system allows you to enjoy superior cleaning performance with more than 50% of energy savings, achieving the performance of a 2400W vacuum cleaner with just 650W*.

Low Power Usage

High Cleaning Performance

* Based on Bosch bagged vacuum cleaner BGL8SI59GB's EU energy label.

Introducing QuattroPower system – designed to deliver class-leading dust pick-up. Every component has been optimized for maximum airflow and incredible cleaning performance.

* Made in Germany HiSpin Motor is only applicable to Bosch bagged & bagless canister vacuum cleaners.

For bagless vacuum cleaners:

High Efficiency Dust Separation System

- Effective dust filtering and thorough cleaning for cleaner exhaust air.

The quietest vacuum cleaner in the market.

SilenceSound™ system delivers powerful dust pickup at the lowest sound level, using a comprehensive package of sound reducing measures.

Aeroplane

120dB

Road traffic

Silence motor

The new motor with its specially shaped impellers reduces noise.

Noise-optimised connections

All connections in the In'genius are so well sealed that almost no air escapes and thus makes a noise.

Exhaust system with optimised airways

The extra-large exhaust system with its special exhaust filter expels the air slowly and quietly.

New, high-performance nozzle

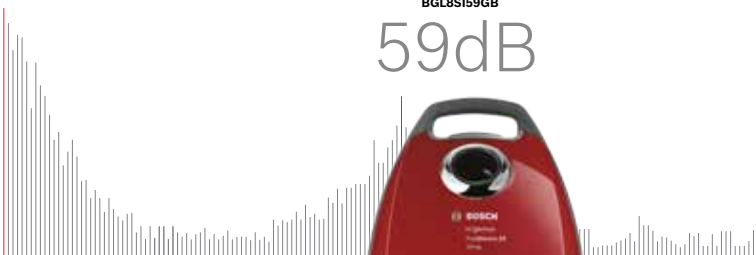

Larger, better-sealed airways with extra-wide and deep suction channel ensure outstanding cleaning performance while keeping noise to a minimum.

We make maintenance a breeze.

Bagless Vacuums

What is SensorBagless™ Technology?

Maintains Maximum Performance thanks to SensorControl.

Minimal Maintenance with Fully automatic self cleaning

The technology provides an intelligent solution for low maintenance effort and still at optimal performance throughout its life time by having a internal sensor that continously measures airflow rates.

When the filters become dirty and block airflow, the system will automatically power down and activate its own self cleaning process.

SensorControl (Bagless and Athlet)

The SensorControl System sends an LED alert when the filter needs cleaning.

Bagged Vacuums

Class A Dust Re-Emission Class.

Being top-in-class filters for unparalleled quality, HEPA filters are used in most Bosch bagged vacuum cleaners, providing filtration of smaller particles and giving you greater peace-of-mind.

Emission Class A			
	PureAir Filter	HEPA Filter	
Filtration Class	E10 (EPA 10)	H13 (HEPA 13)	U15 (ULPA 15)
Dust Re-emission class	A	A	A
Filtration efficiency	Up to 85%	Up to 99.95%	Up to 99.9995%
Particle size (Microns)	0.30	0.30	0.12
Washability	Not washable	Washable - No followup costs	

PowerProtect Dustbag: (BBZAFGALL)

For longlasting cleaning performance.

Benefits:

- 99.9% fine dust particles are filtered
- Up to 60%* more suction power even when dustbag fills up
- Prevent blockage of airflow

* Suction power with partly filled dustbag (400g) in comparison to Bosch Type G dustbags without PowerProtect technology, tested in an appliance of BSG L5... range. Suitable for all new Bosch bagged vacuum cleaners.

BGL8SI59GB

In'genius ProSilence

Quietest vacuum cleaner with excellent cleaning performance

- QuattroPower System
- 650W Made in Germany Hi-Spin motor
- Class A dust pick up on hard floor with crevice
- Parquet brush, upholstery nozzle, crevice nozzle and furniture brush
- SilenceSound System - 59dB(A)

Suitable for Allergy sufferers

- Washable Ulpa 15 filtration
- AirSafe design reduces air leakage
- New improved PowerProtect dust bag
- XXL size dustbag volume up to 5L
