Refrigeration, **reinvented.**

BOSCH

Invented for life

Bosch.
Designed for quality.
Invented for life.

Quality that goes beyond material. The new Bosch refrigerators are designed to make your life easier, more beautiful, and ever fresh.

Fresh by Design™

Modern, uncluttered living. A desire to not waste food. The way we live has evolved. And now, so has the refrigerator. Introducing the world's most advanced refrigerator with a new, best-in-class freshness system and innovative features designed to keep your food fresher, longer. That's Fresh by Design™. In every way.

Introducing the all-new

FarmFresh System™

by Bosch

Preserve the foods you love.

Introducing the revolutionary, new FarmFresh System™, with four innovative freshness technologies designed to work together to keep your food fresher, longer. Enjoy less food waste, and more thoughtful design.

FarmFresh System™

1

Preservation.

VitaFreshPro™

An industry first, VitaFreshPro™ automatically balances BOTH temperature and humidity levels based on the food setting. From produce to meats to cheeses, pre-programmed settings calibrate the optimal environment, removing the guesswork from food storage.

*Individual results may vary.

FarmFresh System™

2

Protection.

FreshProtect™

FreshProtect™ filter absorbs naturally occurring ethylene to slow ripening in produce sensitive to these gases. Designed to help fruits and vegetables like strawberries, apples, asparagus, and lettuce stay fresher, longer.

FarmFresh System™

3

Fresh.

AirFresh® filter

Keep your refrigerator and freezer air fresh, all while absorbing even the toughest food odors. Never worry about a replacement—the AirFresh® filter is built to last the lifetime of your refrigerator.

FarmFresh System™

4

Consistency.

MultiAirFlow™

With MultiAirFlow™, evenly circulate cool, fresh air to maintain consistent temperatures throughout the entire fridge cavity, from door bins to back corners.

Beauty is in the details.

Form and function, evolved. The new Bosch counter-depth refrigerators feature a sleek, stainless steel exterior, a best-in-class freshness system, and innovative features designed to help you preserve the foods you love. With a stunning interior that spares no detail, minimize food waste with fresh foods in view and within reach.

B36CT80SNS

UltraClarityPro™ water filter.

This industry-leading water filter removes an astonishing >99.9% of sediments, including harsh elements like chlorine and chloramine. So advanced, it's received certification by NSF, a leading regulatory agency.

Filtered pyramid ice.

Enjoy beautiful, pyramid-shaped ice right from your freezer. Store in the ice bin or remove completely for a full drawer of ice storage.

Full-width chiller drawer.

Store oversized platters with ease. Keep snacks, cheeses, and meats accessible and within view. Easily adaptable—the drawer that fits your life.

True counter depth.

Sits flush with the countertop, with hidden hinges and discreet, tucked away feet. Sleek, freestanding refrigerators effortlessly look and feel built-in.

Easy to clean.

Keep your kitchen looking beautiful with an easy-to-clean stainless steel exterior. Simply wipe with a damp cloth, no stainless steel cleaner necessary.

ENERGY STAR[®] qualified.

All Bosch freestanding refrigerators are ENERGY STAR[®] qualified. ENERGY STAR[®] is a U.S. Environmental Protection Agency voluntary program that helps businesses and individuals save money and protect our climate through superior energy efficiency.

Wide gallon door bins.

Featured on both sets of doors, our wide gallon door bins easily accommodate two large, side-by-side gallon containers each.

Lighting.

Experience crisp, beautiful LED illumination from corner to corner.

Dual compressors. Stronger performance.

Dual compressors and dual evaporators offer efficient and precise cooling and humidity control, while significantly limiting odor transfer between the refrigerator and freezer, creating the optimal freshness environment.

Filtered internal water.

Beautifully hidden inside, the dual-dispensing interior water dispenser lets you enjoy pure, fresh water with the touch of a button or tap of your glass or bottle.

Organized 3-tiered freezer drawers.

An ingenious three-tiered freezer drawer system creates extra storage for frozen items, from pizza boxes to frozen waffles.

Stainless steel back wall.

The sleek, internal stainless steel back wall is made from the highest quality materials. Eye-catching and durable, it's a timeless design that's built to last.

Sleek glass shelves.

The interior shelves are designed with glass and metal. Split shelves are easily adjustable to accommodate your grocery needs.

Customize in 1-2-3.

Home Connect™ partners:

Kitchen Stories.

Welcome to the connected home.

Smart homes help people stay in the know when it matters. That's why Bosch created a collection of connected appliances designed to make your life easier. Home Connect™ allows a variety of Bosch home appliances to be remotely monitored and controlled with a single app, for a new level of ease and convenience.

How to pair:

Step 1

Download the
Home Connect™ App

Step 2

your camera

Master your day, in your own way, with Home Connect™.

The Home Connect™ app allows you to remotely monitor and control your Bosch refrigerator from your smartphone or tablet. Control the temperature, adjust lighting, run diagnostics—wherever you are,* for ultimate convenience. Connected refrigerators from Bosch are designed to give you peace of mind, customization, and simplification.

Peace of mind.

Door ajar notification.

Receive a notification on your phone should you accidentally leave your refrigerator door open for an extended time.

Remote diagnostics.

Should you ever encounter a problem, the Bosch customer service team can use remote diagnostics to connect to your refrigerator, helping you find a solution quickly.

Remote temperature control.

Remotely adjust and monitor the temperature of your fridge and freezer—even set it to vacation mode when you're away.

Water filter replacement reminder.

Simply opt-in to receive a replacement reminder on your mobile device when it's time to replace your water filter.

Customization.

Temperature customization.

Customize your VitaFreshPro™ drawer to the precise temperature and humidity you need to store your favorite foods, right from your Home Connect™ app.

Lighting.

Easily adjust the brightness level in your refrigerator from your phone.

Simplification.

SuperCool.

When you restock your fridge, opening the door can raise the inside temperature. Rapidly chill your food with SuperCool. Do this before you leave, at the grocery store, or even right as you get back—with the Home Connect™ app.

SuperFreeze®.

Before stocking your freezer with new groceries, set it to SuperFreeze® to help new food freeze even faster. Do this from home—or the grocery store—using the Home Connect™ app.

Meet the family.

Bosch refrigerators come in a range of design styles and finishes, so you're sure to find the perfect match.
