Features

**Combination cooking:**
Convection+Grill+Solo so Bosch microwave can be used for baking along with grilling, reheating, defrosting and cooking.

**121 unique auto cook menus:**
Choose from programmes across eight categories, including Snacks, Appetisers, Soup, Rice, Meat, Seafood, Vegetarian Food and Desserts.

**Healthy Cooking**:
Bosch microwave ovens are certified by International Electrotechnical Commission (IEC), where the oven do not use X-rays and gamma rays, which keeps your food away from radioactive energy and uneven cooking and does not pose any threat to our health.

**FryLite**
Fried food doesn’t have to be oily or unhealthy. Experience a healthier and cleaner way to fry food with minimal fat, using the all new FryLite dish, which you can also clean in a jiffy.

**Rotisserie**
You don’t have to go to a restaurant to enjoy perfectly roasted dishes anymore. Use the simple Rotisserie spear with Hot Air Recirculation to speed up your cooking or with the grill to perfectly brown the top of dishes.

**Demo+Installation**
Please call our toll free Service Care no. 1-800-266-1880 and register yourself for free demonstration and installation.
