|                                                                                                                                                                            |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Trade mark: Bosch                                                                                                                                                          |
| Model Identifier: KUL15A60GB                                                                                                                                               |
| Category of the household refrigerating appliance model: refrigerator-freezer (7)                                                                                          |
| Energy Efficiency class: A++                                                                                                                                               |
| Energy consumption 140 kWh/annum, based on standard test results for 24 hours. Actual energy consumption will depend on how the appliance is used and where it is located. |
| Storage volume cooling compartment (l) 108                                                                                                                                 |
| Storage volume freezing compartment (l) 15 / 4 Star                                                                                                                        |
| Frost free: No                                                                                                                                                             |
| Temperature rise time: 10 h                                                                                                                                                |
| Freezing capacity: 2 kg/24h                                                                                                                                                |
| Climate class: SN-ST. This appliance is intended to be used at an ambient temperature between 10°C and 38°C.                                                               |
| Airborne acoustical noise emissions: #                                                                                                                                     |
| Built-in                                                                                                                                                                   |
