

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 65/2014"

|                                                                             |
|-----------------------------------------------------------------------------|
| Varemerke: Bosch                                                            |
| Modellidentifikasjon: HBG9742B1S                                            |
| Energy efficiency index: 81,2                                               |
| Energiklasse: A+                                                            |
| Energy consumption per cycle in conventional mode: 0,87 kWh/syklus          |
| Energy consumption per cycle in fan-forced convection mode: 0,69 kWh/syklus |
| Number of cavities: 1                                                       |
| Heat source: Elektrisitet                                                   |
| Volume: 71 l                                                                |
