

Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 1061/2010"

Trade mark: ##
Model Identifier: WAN242E80W
Rated capacity cotton: null null
Energy consumption null null, based on 220 standard washing cycles for cotton programmes at 60 °C and 40 °C at full and partial load, and the consumption of the low-power modes. Actual energy consumption will depend on how the appliance is used.
Energy consumption of the standard 60 °C cotton programme at full load: null null
Energy consumption of the standard 60 °C cotton programme partial load: null null
Energy consumption of the standard 40 °C cotton programme partial load: null null
Power consumption in off-mode and left-on mode: null null / null null
Water consumption null null, based on 220 standard washing cycles for cotton programmes at 60 °C and 40 °C at full and partial load. Actual water consumption will depend on how the appliance is used.
Spin-drying efficiency class on a scale from G (least efficient) to A (most efficient)
Maximum spin speed: null null
en: Residual moisture: null %
The standard programmes 'null' and 'null' are the standard washing programmes to which the information in the label and the fiche relates. These programmes are suitable to clean normally soiled cotton laundry and they are the most efficient programmes in terms of combined energy and water consumption
Programme time of the standard 60 °C cotton programme at full load: null null
Programme time of the standard 60 °C cotton programme at partial load: null null
Programme time of the standard 40 °C cotton programme at full load: null null
Duration of the left-on mode: null null
Airborne acoustical noise emissions: Washing: 56 dB (A), Spinning: 71 dB (A)
