

## Product fiche concerning the "COMMISSION DELEGATED REGULATION (EU) No 392/2012"

Trade mark: ##
Model Identifier: WTU879H00W
Rated capacity cotton: null null
Dryer type: ##
Energy consumption null null, based on 160 drying cycles of the standard cotton programme at full and partial load, and the consumption of the low-power modes. Actual energy consumption per cycle will depend on how the appliance is used.
null tumble dryer
Energy consumption of the standard cotton programme at full load: null null
Energy consumption of the standard cotton programme at half load: null null
Power consumption in off-mode and left-on mode: null null / null null
Duration of the left-on mode: null null
The programme null used at full and partial load is the standard drying programme to which the information in the label and the fiche relates, this programme is suitable for drying normal wet cotton laundry and is the most efficient prog
Weighted programme time of the standard cotton programme at full and partial load: null null
Programme time of the standard cotton programme at full load: null null
Programme time of the standard cotton programme at partial load: null null
Condensation efficiency class null on a scale from G (least efficient) to A (most efficient)
Weighted condensation efficiency for the standard cotton programme at full and partial load: - null
Average condensation efficiency of the standard cotton programme at full load: - null
Average condensation efficiency of the standard cotton programme at partial load: - null
Sound power level: 65
