Multicooker, Silver MUC88B68GB

With AutoCook you can. Bringing tasty back to meal times

Produces excellent results

- Programs with pre-set pressure level for delicious and healthy results. Two pressure levels (low and high) ensure optimal results for both soft and hard ingredients.
- Precise temperature setting with 5°C temperature steps for optimal cooking results.
- Strong power with short heating up times thanks to 1200 W.

Versatile

- A true all-rounder: cooking, roasting, soft frying, sous-vide cooking and much more. With 50 preset programmes a host of dishes can be prepared quickly and easily.
- Recipe book with more than 100 international recipes

Comfort

- Personal function (my recipe): Create your own favourite recipes or dishes by flexibly adjusting time and temperature.
- Two personal programs with memory function (recipe 1 / recipe 2): Create your own favourite recipes or dishes by flexibly adjusting time, temperature and pressure level and save them to be recalled later.
- Pre-set timer: You can easily program the AutoCook so that it will be ready at a certain time according to your wishes.
- Keep warm function
- Easiest cleaning: All accessories are dishwasher safe: bowl, steam tray, spatula, spoon and removal tong
- Transport handle for easy carrying

Material/Design

- Bowl with non-stick Teflon coating for minimal cleaning effort and good heat distribution.
- All plastics that are in contact with food are BPA free

Included accessories

- Double-layer steam basket to prepare flexibly either a complete meal (e.g. meat and vegetables) at once or just single ingredients.
- Deep frying basket
- Spatula for stirring and spoon

Safety

- High security standard: automatic shut off at the end of the selected program
- Child lock with shortcut to lock the display
- Thanks to a cool touch housing no risk of getting burned
- Rubber feet for extra stability
