

Hot drinks machine, TASSIMO VIVY 2 TAS1404GB

- **Great variety:** Enjoy a wide variety of up to 50 drink specialties such as espresso, caffè crema, hot chocolate or even tea from well-known brands such as L'OR, Kenco or Costa.
- **Beverages are always optimally prepared:** Enjoy the right amount of water, the right temperature and correct brewing time with capsule barcode scanning using Intellibrew™ technology.
- **Your favourite drink at the touch of just one button:** The machine has no heat up time so you can prepare drinks with ease.
- **Descaling tablets especially developed for all TASSIMO brewers:** descale your coffee machine effectively and sustainably. This extends your TASSIMO's service life and guarantees optimum taste for all your beverages.
- **Each drink brewed individually to perfection**

Hot drinks machine, TASSIMO VIVY 2 TAS1404GB

Highest drink variety and quality

- Large variety of high quality hot beverages: freshly brewed coffee, espresso, cappuccino, latte macchiato, hot chocolate or tea straight away
- Two leading companies have joined forces for a high quality hot beverage system
- Patented bar code technology identifies the drink selected and adjusts the amount of water, brewing time and the temperature to make the perfect cup everytime
- Cleaning disc for purging the system and keeping your machine clean and fresh
- Manual adjustment of drinks possible
- No transition of taste: brewing takes place within T-DISC capsule; after each brewing cycle system is cleaned through steam purge

Highest Convenience

- Easy to use, one button operation with Tassimo T-Discs
- Innovative flow heater technology means there is virtually no heat-up time.
- 5 LED user interface provides user with current information about machine status: Standby, Automatic mode, Manual mode, Refill water tank, machine needs to be descaled
- Automatic cleaning and descaling programme
- Height adjustable and removable cup stand with stainless steel drip tray: can be fully removed for tall latte glasses or travel mugs
- Removable water tank integrated into housing unit 0.7 l

Contemporary, high-value design

- Space saving design
- Trendy and compact design

Quick and energy efficient drink preparation

- Innovative heating technology: only the required amount of water is heated on demand
