Hot drinks machine, TASSIMO SUNY TAS3202GBC

TASSIMO SUNY – The quick one

- Large variety of high quality hot beverages: freshly brewed coffee, espresso, cappuccino, latte macchiato, hot chocolate or tea straight away
 - Patented bar code technology identifies the drink selected and adjusts the amount of water, brewing time and the temperature to make the perfect cup everytime
 - Cleaning disc for purging the system and keeping your machine clean and fresh
 - Manual adjustment of drinks possible
 - No transition of taste: brewing takes place within T-DISC capsule; after each brewing cycle system is cleaned through steam purge
 - Easy to use, one button operation with Tassimo T-Discs
 - SmartStart: Simple start of the drink preparation by just pressing the cup against the brewer front
 - Innovative flow heater technology means there is virtually no heat-up time.
 - 5 LED user interface provides user with current information about machine status: Standby, Automatic mode, Manual mode, Refill water tank, machine needs to be descaled
 - Automatic cleaning and descaling programme
 - Height adjustable and removable cup stand with stainless steel drip tray: can be fully removed for tall latte glasses or travel mugs
 - Easily accessible and fillable water tank: Removable water tank with a capacity of 0.8 liters
- Innovative liquid milk technology
 - Immediately ready to brew drinks: virtually no cleaning and no taste transfer between different drinks
 - 0.8 l Removable water tank for easy refilling
 - Height adjustable and removable cup stand for a variety of cup and mug sizes
 - Auto-switch-off after opening brew mechanism
 - Drip-free removal of T DISCs
 - Dishwasher safe parts
 - Flow heater technology

Contemporary, high-value design

- Space saving design
- Trendy and compact design
- Chrome trim brew head

Quick and energy efficient drink preparation

- Innovative heating technology: only the required amount of water is heated on demand
- Low energy consumption: automatically reverts to stand-by mode after every brew cycle
- Power switch: On/ off button for zero energy consumption

Further Specifications
