

## Series 4, heat pump tumble dryer, 8 kg, White WTH84000GB

- **Auto Dry:** automatically dries to the exact level of dryness you want.
- **Anti Vibration Design:** stable and quiet thanks to special vibration protection.
- **Easy-to-use LED display with touch control and many additional functions like start delay and remaining time.**
- **Sensitive Drying System:** for gentle drying without any creases.
- **SensitiveDrying System:** the unique drum structure protects and delivers a drying performance without creases.

### Technical Data

|                                                            |                    |
|------------------------------------------------------------|--------------------|
| Built-in / Free-standing:                                  | Free-standing      |
| Removable top:                                             | No                 |
| Door hinge:                                                | Right              |
| Length electrical supply cord:                             | 179.5 cm           |
| Dimensions:                                                | 842x598x613 mm     |
| Net weight:                                                | 46.5 kg            |
| Fluorinated greenhouse gases:                              | No                 |
| Hermetically sealed equipment:                             | Yes                |
| The quantity expressed in CO2 equivalent:                  | 0.000 t            |
| EAN code:                                                  | 4242005186228      |
| Connection rating:                                         | 600 W              |
| Fuse protection:                                           | 10 A               |
| Voltage:                                                   | 220-240 V          |
| Frequency:                                                 | 50 Hz              |
| Maximum capacity in kg:                                    | 8.0 kg             |
| Energy Efficiency Class <sup>1</sup> :                     | F                  |
| Weighted energy consumption per cycle (EU 2017/1369):      | 1.50 kWh/cycle     |
| Weighted energy consumption per 100 cycles (EU 2017/1369): | 150 kWh/100 cycles |
| Condensation Efficiency (EU 2017/1369):                    | 81 %               |
| Programme duration half capacity (EU 2017/1369):           | 2:17               |
| Programme duration rated capacity (EU 2017/1369):          | 3:46               |

### Optional accessories

|          |                                      |
|----------|--------------------------------------|
| WTZ11400 | Stacking kit with pull-out shelf     |
| WTZ20410 | Stacking kit                         |
| WTZPW20D | Platform with pull-out, dryer, cubic |

<sup>1</sup> Scale of Energy Efficiency Classes from A to G

## **Series 4, heat pump tumble dryer, 8 kg, White WTH84000GB**

---

### **Performance**

#### **Programmes/functions**

- Fully electronic control dial for sensor drying, including timed and special programmes
- Special programmes: Mixed Load, Towels, Time prog. 30 min. cold, Timed program 30 min. warm, Sportswear, Down, Super Quick 40, shirts/blouses
- Touch control buttons: start/pause, Reduced ironing, Fine-tuning for drying level, 24 h, end Time Delay

#### **Key features**

- Sensitive drying: large stainless steel drum with textile care and revolution drying system
- AntiVibration design: for greater stability and quietness

#### **Additional features**

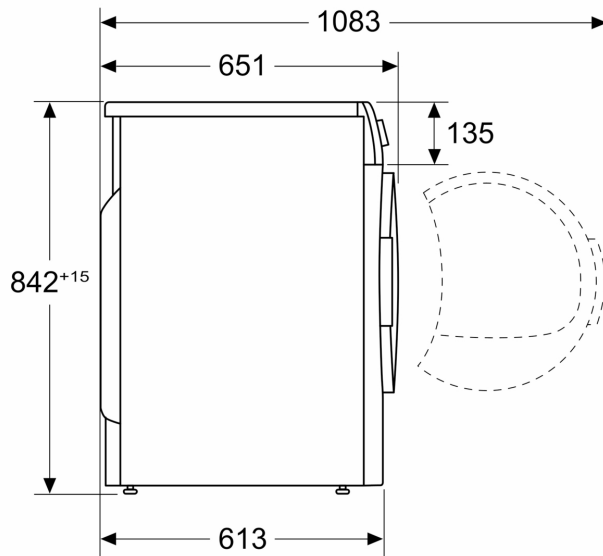

- LED Display for remaining time and 24 hours time delay, programme status indication, special functions
- Anti crease cycle 120 min at the end of the programme
- Warning for fluff filter and condensed water filter
- Full container tank indicator
- EasyClean filter
- Child Lock
- Buzzer to indicate the end of cycle
- Container for condensed water
- Metal door catch

#### **Technical Information**

- slide-under installation
- Dimensions (H x W x D): 84.2 x 59.8 x Appliance depth: 65.1 cm
- Door hinge: right-hand
