## Series 2, washing machine, top loader, 680 rpm WOE651W0IN

### Treat your clothes with hand-like wash with Bosch Expertcare range of Top Load Washing machines

#### Technical Information

- Capacity: 6.5kg
- Maximum spin speed: 680 rpm
- Dimensions (HxWxD): 995x542x552

#### Programmes

- Smart Suggest, Quick Wash, Mix, Delicates, Bedsheet, Whites, Cotton 30°, Tub Clean

#### Features

- 1. ExpertCare wash system inspired by hand wash:
  - a. Vario Drum: Specially designed Droplet Patterned drum which gently rubs the clothes during the wash mimicking the soft rubbing by hands like in a hand wash
  - b. Asymmetric Paddle design: The design which is rough on one side and smooth on the other side inspired by the 'Rough surfaces used during hand wash'
  - c. Scrub Pads: These are located at the bottom of the drum which gently scrubs your clothes for a superior wash performance like a scrubbing with brush during hand wash
  - d. Pumping tower & Magic filter: The pumping tower circulates water up and down and intermittently splashes fresh water for better mixing of detergent during the wash. The detachable and cleanable magic filter collects all the lint from clothes during the wash
  - e. Pulsator: Innovatively designed pulsator to ensure maximum water displacement for better wash quality
- 2 - Ergonomic Panel Design: User friendly back panel interface for smooth operations.
- 3 - Flexible Soaking: Pre soak your clothes with 4 flexible timer options like (15,30,45,60 mins) in the washing machine itself and reduce your efforts by avoiding it by doing in a bucket and transferring later into the washing machine.
- 4 - Anti Tangle: A program to reduce the problem of clothes tangling during wash
- 5 - EcoSilence Drive: A smooth and silent induction motor for maximum power and best washing results with 10 year warranty
- 6 Soft Closing Lid provides a gradual lid closure to ensure an injury-free and silent closing of the washer lid
- 7. Favorite: Chose your favorite / frequently used program saved in the favorite program option. Click and wash !!
- 8 Delay Start upto 24 hours to delay the time at when the program starts
- 9. Mobility Solution: The ergonomic handles at the back with wheels at the bottom to move your machine with ease as per your convenience and requirement
- 10. Flexible Detergent Drawer: A convenient detergent drawer with separate compartments for powder detergent, liquid detergent and fabric softener
- 11. Level indicator: Indicates the even placement of the machine so you can avoid shaking at high RPM spinning

#### Safety

- Volt Check: shows Voltage error when Voltage goes out of working range (mentioned in User manual, 170V to 280V) and machine stops running.
- Child-proof lock

#### Display Screen & Alerts

- User Interface Type 1 with wash type, soak option, favourite, Water level selector and Rinse
- Buzzer alert at the end of the wash programme
- Maximum Spin Speed: 680 rpm
- User Interface Type 1 with wash type, soak option, favourite, Water level selector and Rinse
