

30" 5 Burner FlameSelect® Gas Cooktop, NGMP058UC, Stainless Steel

Features and Benefits

Performance

- 5 high efficiency gas burners
- FlameSelect® (9 power levels)
- 18.1K exclusive dual flame ring power burner
- OptiSim® burner
- STAR-K Sabbath compliant

Convenience

- Sealed burners prevent spills from entering the burner box
- Full width continuous surface enameled cast iron grates can be cleaned in dishwasher
- Push-to-turn knobs with electronic ignition
- LED display for each burner control

Design

- Stainless steel cooking surface
- Sleek black glass control panel
- Heavy-duty stainless color metal knobs for a premium look and feel
- Low-profile design for an integrated transition to the counter surface
- Perfect results are within reach with up-front centralized controls
- Cooktop design coordinates with Bosch ovens and ventilation

Safety

- Flame thermocouple sensing device will switch off the supply of gas if flame temporarily extinguishes
- Residual heat indicator on every burner reminds you not to touch the grates when they are still hot
- LP conversion kit included for conversion from natural gas to liquid propane

Notes: All height, width and depth dimensions are shown in inches. *Please refer to installation instructions prior to making cutout. BSH reserves the absolute and unrestricted right to change product materials and specifications, at any time, without notice. Consult the product's installation instructions for final dimensional data and other details. Applicable product warranty can be found in a accompanying product literature or you may contact your account manager for further details.
